E4AUFF - KAMREN DIAMOND

Eye Of The Tiger Risin' up, back on the street Did my time, took my chances Went the distance, now I'm back on my feet Just a man and his will to survive So many times, it happens too fast You change your passion for glory Don't lose your grip on the dreams of the past You must fight just to keep them alive

The sound is now superb and very well polished. I love the whole album but my favorite tracks are: "Children of the Night", "The one really that matters", "Ever since the world began" and "Feels like love". Of course I like the Eye of the Tiger song but I don't play it much since it got way too much commercial.
