Book Review | 'Factory Girls: From Village to City in a ...

An eye-opening and previously untold story, Factory Girls is the first look into the everyday lives of the migrant factory population in China. China has 130 million migrant workers—the largest migration in human history. In Factory Girls, Leslie T. Chang, a former correspondent for the Wall Street Journal in Beijing, tells

the story of these workers primarily through the lives of two young women, whom she follows over the course of three years as they attempt to rise from the assembly ...
