JFLPS7 - TIANA HESTER

From a fresh and exciting new voice, a hilarious and insightful examination of the search for love and the meaning of marriage in a time of anxiety, independence, and indecision. Weddings. They're fun, festive, and joyful, and at a time when people marry later in life—and sometimes not at all—they offer endless opportunities to reexamine love and what we want for ourselves, regardless of whether or not our aim is a walk down the aisle. In *Save the Date*, Jen Doll charts the course of her own perennial wedding guesthood, from the ceremony of distant family members when she was eight to the recent nuptials of a new boyfriend's friends. There's the first trip home for a childhood pal's big day, in which she learns that her first love has eloped to Hawaii. There's the destination wedding attended with little baggage beyond a suitcase of strappy sandals and summery party dresses. Regrettably, there is a series of celebrations that mean the end to a valued friendship. There's also the wedding that offers all the promise of new love. Wedding experiences come in as varied an assortment as the gowns at any bridal shop, and Doll turns a keen eye to each, delivering a heartfelt exploration of contemporary relationships. Funny, honest, and affecting, *Save the Date* is a fresh and spirited look at the many ways in which we connect to one another.

Iconoclastic British artist Ralph Steadman has been creating editorial and political illustrations for over five decades. Steadman is revered for his ink-splattered, anarchic, and often shocking drawings. His well-known illustrations alongside the work of literary legend Hunter S. Thompson have long been celebrated and have achieved a cult-like following. Together, Steadman and Thompson's iconic work has come to be known as Gonzo journalism. Ralph and Hunter first met in 1970 on an assignment from *Scanlan's Monthly* magazine to cover the Kentucky Derby. Their 40-year friendship included collaborations on seminal books such as *Fear and Loathing in Las Vegas* and *The Curse of Lono*, as well as numerous articles for *Jann Wenner's Rolling Stone*, including the George Foreman vs. Muhammad Ali fight and coverage of the Watergate Scandals. **PROUD TOO BE WEIRRD** is the ultimate monograph of this creative genius. Steadman's first-person narrative takes us on a literary and visual journey of his well-known, provocative work and is accompanied by his acerbic wit, heartfelt political views, and unique sense of humour. This must-have book comes in two collectible editions. All one thousand, limited edition books are numbered and signed by Steadman and each comes in a red, cloth-wrapped, slipcased box. Steadman is the recipient of numerous awards and accolades for his illustrations in classic books such as *Alice in Wonderland*, *Treasure Island*, *Animal Farm*, and *Fahrenheit 451*. His revered work has appeared in numerous publications throughout the years including *Rolling Stone*, *The Daily Telegraph*, and *The New York Times*. This fall, a documentary film on Steadman, narrated by Johnny Depp, will be released by Sony Pictures. Fifteen years in the making, the film *For No Good Reason* highlights the many reasons to admire this one-of-a-kind artist. Likewise, **PROUD TOO BE WEIRRD** celebrates the profound creative genius of Ralph Steadman.

Stop What You're Doing and Write! Yes, You, Write! Most writing guides imply—or outright state—that there's a fixed, specific formula or list of rules you must follow to achieve writing and publishing success. And all of them are phonies. Well, not completely. There are real, applicable techniques and strategies in any writing reference to help you. But the idea that there's only one way of writing? Nuts! With unconventional approaches to the craft, fresh angles on novel writing and selling, a healthy dose of humor, and no promise of refunds, *Writing Without Rules* is for those writers who have tried and tried again—and are ready to success on their own terms. In these pages, accomplished author Jeff Somers will show you:

- The key to a successful writing career is doing the actual writing, no matter the circumstances.
- Fantastic ideas are available everywhere—you just need to know how to tap into sources through a variety of approaches.
- Important craft aspects that you should focus on, such as characters and dialogue, while spending less time on others, like setting.
- Effective ways to get published—whether it's traditional or self-publishing—and how to supplement your income. Whether you're a plotter, a pantsier, or somewhere in-between, *Writing Without Rules* is for those writers who are looking for a fresh take on tackling the challenge of writing and selling a novel, and building a career. As Somers will show you, it's less about being perfect in everything, and more about having the confidence to complete everything.

'Joe Abercrombie is doing some terrific work' George R. R. Martin, author of *GAME OF THRONES*. Here are the first six books set in the world of *THE FIRST LAW*, Joe Abercrombie's hugely successful fantasy creation. Join Logen Ninefingers, Jezal dan Luthar and Inquisitor Glokta as war rages across the North in the first trilogy, and then enjoy three self-contained novels and discover more of the remarkable imagination of the UK's most prominent fantasy author. Contains *THE BLADE ITSELF*, *BEFORE THEY ARE HANGED*, *LAST ARGUMENT OF KINGS*, *BEST SERVED COLD*, *THE HEROES* and *RED COUNTRY*

Have you ever wished you could tell your favourite books just what they mean to you? Or wanted to give a piece of your mind to the "must-read" book that you wish you hadn't? Librarian Annie Spence has done just that, writing fan-girl love letters to books like *MATILDA* and *THE GOLDFINCH*, and irrelevant break-up notes to *FIFTY SHADES OF GREY* and *THE HOBBIT*. Annie's letters will make you laugh, remind you why you love your favourite books, and give you lots of new entries for your reading list. She's also on hand to help you with your bookish dilemmas: recommendations for lazy readers, excuses to tell your friends when you'd rather stay home reading, and how to turn your lover into a reader.

The summer of '28 was a vintage season for a growing boy. A summer of green apple trees, mowed lawns, and new sneakers. Of half-burnt firecrackers, of gathering dandelions, of Grandma's belly-busting dinner. It was a summer of sorrows and marvels and gold-fuzzed bees. A magical, timeless summer in the life of a twelve-year-old boy named Douglas Spaulding—remembered forever by the incomparable Ray Bradbury. The only god living in Green Town, Illinois, that Douglas Spaulding knew of. The facts about John Huff, aged twelve, are simple and soon stated.

- He could pathfind more trails than any Choctaw or Cherokee since time began.
- Could leap from the sky like a chimpanzee from a vine.
- Could live underwater two minutes and slide fifty yards downstream.
- Could hit baseballs into apple trees, knocking down harvests.
- Could jump six-foot orchard walls.
- Ran laughing.
- Sat easy.
- Was not a bully.
- Was kind.
- Knew the words to all the cowboy songs and would teach you if you asked.
- Knew the names of all the wild flowers and when the moon would rise or set and when the tides came in or out.

He was, in fact, the only god living in the whole of Green Town, Illinois, during the twentieth century that Douglas Spaulding knew of. "[Ray] Bradbury is an authentic original."—Time

Every weekend, in basements and parking lots across the country, young men with good white-collar jobs and absent fathers take off their shoes and shirts and fight each other barehanded for as long as they have to. Then they go back to those jobs with blackened eyes and loosened teeth and the sense that they can handle anything. *Fight Club* is the invention of Tyler Durden, projectionist, waiter and dark, anarchic genius. And it's only the beginning of his plans for revenge on a world where cancer support groups have the corner on human warmth.

Covers American literature during the postwar period.

One man struggles to save his family and his small North Carolina town after America loses a war in one second, a war based upon an Electro Magnetic Pulse (EMP) weapon that will send America back to the Dark Ages.

"*Animal Farm*" is a novel with regards to a gathering of animals who assume liability for the homestead they live on. The animals get exhausted of their lord, Farmer Jones, so they show him out. When they are liberated from the dictator Jones, life on the homestead is useful for some time and there is potential for a more joyful fate of less work, better training and more food. Nonetheless, inconvenience brews as the pigs, Napoleon and Snowball, battle for the hearts and brains of different animals on the homestead. Napoleon holds onto power forcibly and winds up... "*Animal Farm*" was composed by George Orwell and distributed in 1945 and it is considered by numerous his best book. This novel is a moral story - despite the fact that it is set on a homestead and stars a cast of livestock, it mirrors the occasions of the Russian upset of 1917. The creatures are for the most part cunning portrayals of Russian government officials, electors and laborers. Orwell utilized the novel to make his perspectives on Russian pioneers heard.

They came after the Diseray. Some were terrors ripped from our collective imaginations, remnants of every mythology across the world. And some were like nothing anyone had ever dreamed up, even in their worst nightmares. Monsters. Long ago, the barriers between our world and the Other-world were ripped open, and it's taken centuries to bring back civilization in the wake of the catastrophe. Now, the luckiest Cits live in enclosed communities, behind walls that keep them safe from the hideous monsters fighting to break through. Others are not so lucky. To Joyeaux Charmand, who has been a Hunter in her tight-knit mountain community since she was a child, every Cit without magic deserves her protection from dangerous Othersiders. Then she is called to Apex City, where the best Hunters are kept to protect the most important people. Joy soon realizes that the city's powerful leaders care more about luring Cits into a false sense of security than protecting them. More and more monsters are getting through the barriers, and the close calls are becoming too frequent to ignore. Yet the Cits have no sense of how much danger they're in-to them, Joy and her corp of fellow Hunters are just action stars they watch on TV. When an act of sabotage against Joy takes an unbearable toll, Joy uncovers a terrifying conspiracy in the city. There is something much worse than the usual monsters infiltrating Apex. And it may be too late to stop them

A fireman in charge of burning books meets a revolutionary school teacher who dares to read. Depicts a future world in which all printed reading material is burned.

The New York Times bestseller *A LOVE THAT TRANSCENDS HEAVEN AND HELL* What happens to us after we die? Chris Nielsen had no idea, until an unexpected accident cut his life short, separating him from his beloved wife, Annie. Now Chris must discover the true nature of life after death. But even Heaven is not complete without Annie, and when tragedy threatens to divide them forever, Chris risks his very soul to save Annie from an eternity of despair. Ray Bradbury's story of fireman Guy Montag, professional book burner, tackles the incendiary issue of censorship.

A BBC Radio 2 Book Club Pick 'Ingenious ... touching, surprising and sometimes heartbreaking.' Guardian 'If you're itching to read a new novel by David Mitchell ... try this.' The Times _____ In Tokyo - one of the world's largest megacities - a stray cat is wending her way through the back alleys. And, with each detour, she brushes up against the seemingly disparate lives of the city-dwellers, connecting them in unexpected ways. But the city is changing. As it does, it pushes her to the margins where she chances upon a series of apparent strangers - from a homeless man squatting in an abandoned hotel, to a shut-in hermit afraid to leave his house, to a convenience store worker searching for love. The cat orbits Tokyo's denizens, drawing them ever closer. 'Masterfully weaves together seemingly disparate threads to conjure up a vivid tapestry of Tokyo; its glory, its shame, its characters, and a calico cat.' David Peace, author of *THE TOKYO TRILOGY* One of the Independent's best debuts

George Orwells' *Animal Farm* is a 1945 book about a group of animals on a farm who organise a revolution, and take over from their human owners to run the farm themselves. Adopting the Seven Commandments of Animalism, the animals are taught to read and write by two young pigs, Snowball, and Napoleon. As time goes on, rivalry between the two develops, which culminates in Snowball being chased away and Napoleon becoming supreme leader. Growing more authoritarian, Napoleon purges the farm, executing those animals he accuses of siding with Snowball. And as more time progresses, their motto of 'All animals are equal' gets shifted to prioritise only Napoleon and the pigs. An allegory of the Stalinist era of Russia, Orwell shows that true equality can never be, as there will always be those that rise to the top, pushing others down in the process.

A totalitarian regime has ordered all books to be destroyed, but one of the book burners, Guy Montag, suddenly realizes their merit.

THE AUTHORITATIVE TEXT "It was a bright cold day in April, and the clocks were striking thirteen." The year is 1984. War and revolution have left the world unrecognisable. Great Britain, now known as Airstrip One, is ruled by the Party, led by Big Brother. Mass surveillance is everything and The Thought Police ensure no individual thinking is allowed. Winston Smith works at The Ministry of Truth, carefully rewriting history. But Winston dreams of freedom, and of rebellion. It is here that he falls in love with Julia, and starts a secret, forbidden affair with her - but in this world nothing can be kept secret, and they are forced to face consequences more terrifying than either of them could have ever imagined. A dystopian masterpiece, this is the powerful and prophetic novel that defined the twentieth century. WITH AN INTRODUCTION BY ROBERT HARRIS

Now an HBO Original Movie starring Michael B. Jordan (Black Panther), Sofia Boutella (Star Trek: Beyond), and Michael Shannon (The Shape of Water). An Eisner Award Nominee "Monday burn Millay, Wednesday Whitman, Friday Faulkner, burn 'em to ashes, then burn the ashes." For Guy Montag, a career fireman for whom kerosene is perfume, this is not just an official slogan. It is a mantra, a duty, a way of life in a tightly monitored world where thinking is dangerous and books are forbidden. In 1953, Ray Bradbury envisioned one of the world's most unforgettable dystopian futures, and in Ray Bradbury's Fahrenheit 451, the artist Tim Hamilton translates this frightening modern masterpiece into a gorgeously imagined graphic novel. As could only occur with Bradbury's full cooperation in this authorized adaptation, Hamilton has created a striking work of art that uniquely captures Montag's awakening to the evil of government-controlled thought and the inestimable value of philosophy, theology, and literature. Including an original foreword by Ray Bradbury and fully depicting the brilliance and force of his canonic and beloved masterpiece, Ray Bradbury's Fahrenheit 451 is an exceptional, haunting work of graphic literature.

In this hilarious, inspiring and provocative series of essays, Kingsley Amis introduces every reader to the wonders and value of science fiction writing. From the extraordinary ideas but sexless science of Jules Verne to the power of H. G. Wells' terrifying storytelling; from the brilliance of bad science fiction writing to the potency of their important ideas; from a portrait of the average SF reader to Amis' sad prediction that this genre will never make it in film or television, New Maps of Hell is a warm and witty exploration of a world many readers may be yet to discover.

Ray Bradbury's novel Fahrenheit 451 is an enduring masterpiece of twentieth-century American literature—a chilling vision of a dystopian future built on the foundations of ignorance, censorship, and brutal repression. The origins and evolution of Bradbury's darkly magnificent tale are explored in A Pleasure to Burn, a collection of sixteen selected shorter works that prefigure the grand master's landmark novel. Classic, thematically interrelated stories alongside many crucial lesser-known ones—including, at the collection's heart, the novellas "Long After Midnight" and "The Fireman"—A Pleasure to Burn is an indispensable companion to the most powerful work of America's preeminent storyteller, a wondrous confirmation of the inimitable Bradbury's brilliance, magic . . . and fire. Eighteen science fiction stories deal with love, madness, and death on Mars, Venus, and in space.

A collection of three of Ray Bradbury's finest science fiction novels: FAHRENHEIT 451, THE MARTIAN CHRONICLES and THE ILLUSTRATED MAN.

A chance encounter: When Sarah meets dark, brooding Alex, she grasps his offer of a new life miles away from her own. They've both recently escaped broken relationships, and need to start again. Why not do it together? A perfect life: But when Sarah gets to the tiny village of Burrington Stoke, something doesn't add up.

With his disarmingly simple style and complex imagination, Ray Bradbury has seized the minds of American readers for decades. This collection showcases thirty-two of Bradbury's most famous tales in which he lays bare the depths of the human soul. The thrilling title story, A Sound of Thunder, tells of a hunter sent on safari -- sixty million years in the past. But all it takes is one wrong step in the prehistoric jungle to stamp out the life of a delicate and harmless butterfly -- and possibly something else much closer to home ...

To celebrate the 50th Anniversary of this hauntingly prophetic classic novel, a special edition with a new introduction by Ray Bradbury. Over 1 million copies sold in the UK. Guy Montag is a fireman. His job is to burn books, which are forbidden, being the source of all discord and unhappiness. Even so, Montag is unhappy; there is discord in his marriage. Are books hidden in his house? The Mechanical Hound of the Fire Department, armed with a lethal hypodermic, escorted by helicopters, is ready to track down those dissidents who defy society to preserve and read books. The classic novel of a post-literate future, Fahrenheit 451 stands alongside Orwell's 1984 and Huxley's Brave New World as a prophetic account of Western civilization's enslavement by the media, drugs and conformity. Bradbury's powerful and poetic prose combines with uncanny insight into the potential of technology to create a novel which, fifty years on from first publication, still has the power to dazzle and shock.

A totalitarian regime has ordered all books to be destroyed, but one of the book burners suddenly realizes their merit.

The tranquility of Mars is disrupted by humans who want to conquer space, colonize the planet, and escape a doomed Earth.
