The Family in the New Millennium by A. Scott Loveless, ed ...

A collection of essays on aspects of family law, written in honour of the 75th birthday of Professor P.M. Bromley, Barrister and Emeritus Professor of English Law, University of Manchester. Professor Bromley is recognised as the founding father of family law as a modern academic subject.

The law governing family relationships has changed dramatically in the past one hundred years. This book is a study of the pressures and processes which led to those changes. It examines the work of individuals and organisations campaigning for change, and the (often ignored) influence of officials in government and (in particular) the Parliamentary draftsmen.
