With this method of analysis of financial statements, we will look up and down the income statement (hence, "vertical" analysis) to see how every line item compares to revenue, as a percentage. For example, in the income statement shown below, we have the total dollar amounts and the percentages, which make up the vertical analysis.

As the flagship publication of CFA Institute, the Financial Analysts Journal is the leading practitioner journal in the investment management community. Since 1945, it has advanced the knowledge and understanding of the practice of investment management through the publication of rigorous, peer-reviewed, practitioner-relevant research from leading academics and practitioners.
