RZV5G3 - FERGUSON STOUT

Francesco Colonna's weird, erotic, allegorical antiquarian tale, "Hypnerotomachia Poliphili", together with all of its 174 original woodcut illustrations, has been called the first "stream of consciousness" novel and was one of the most important documents of Renaissance imagination and fantasy. The author -- presumed to be a friar of dubious reputation -- was obsessed by architecture, landscape and costume (it is not going too far to say sexually obsessed) and its woodcuts are a primary source for Renaissance ideas.

Anna had everything figured out -- she was about to start senior year with her best friend, she had a great weekend job and her huge work crush looked as if it might finally

be going somewhere... Until her dad decides to send her 4383 miles away to Paris. On her own. But despite not speaking a word of French, Anna finds herself making new friends, including Étienne St. Clair, the smart, beautiful boy from the floor above. But he's taken -- and Anna might be too. Will a year of romantic near-misses end with the French kiss she's been waiting for?

Zeroing in on the moments of comic confusion and tender transformation that make up one boy's wild ride through childhood and adolescence, this collection of stories follows Will, a boy with an overactive imagination who grapples with "what kind of man will I become?"

The search for a mysterious artifact leads to a trek across the globe in this thriller from the New York

Times--bestselling author of the Bourne novels. In the French countryside, a man is brutally murdered. In a Connecticut church, a priest is sacrificed. All in pursuit of an artifact rumored to possess mystical powers . . . The three-bladed weapon known as the Prey Daww will make its owner the most feared man in the world, powerful enough to control all of Asia and its drug trade. But there is still one piece left to find. New York lawyer Chris Haye and NYPD lieutenant Seve Guarda are drawn into the bloody search when they learn their brothers have been killed. Their quest for vengeance takes them from Manhattan to France to the depths of Southeast Asia. But the man behind their brothers' savage murders will stop at nothing to gain the ultimate prize. From the acclaimed

author of the Nicholas Linnear series and many other bestsellers, as well as the novels that continue the story of Robert Ludlum's Jason Bourne character, *French Kiss* is packed with "suspense that is sustained to the final page" (Los Angeles Times).

Twelve-year-old Vahan Kenderian, the son of an influential Armenian family in Turkey, struggles to survive alone after witnessing the deaths of many of his family and friends during the Armenian massacres of the early twentieth century.

Anna was looking forward to her senior year in Atlanta, where she has a great job, a loyal best friend, and a crush on the verge of becoming more. So she's less than thrilled about being shipped off to boarding school in Paris until she meets Etienne St. Clair. Smart, charming, beautiful, Etienne has it all . . . including a serious girlfriend. But in the City of Light, wishes have a way of coming true. Will a year of romantic near-misses end with their long-awaited French kiss? Stephanie Perkins keeps the romantic tension crackling and the attraction high in a debut guaranteed to make toes tingle and hearts melt. 'Very

sly. Very funny. Very romantic. You should date this book.' - MAUREEN JOHNSON, New York Times bestselling author of *13 Little Blue Envelopes* and *Scarlet Fever*

With tight breeches and loose morals, the horse trials circuit is a hell for leather chase across the magnificent parkland of England's finest country estates. Flirtation is compulsory sport; love is a professional hazard. Silver-tongued charmer Rory Midwinter is quite at home in this hedge-jumping, bed-hopping world of competitive weekend house parties. Having been born into the saddle, and with a rock star owner as patron, he has no intention of settling down. Only his long-term groom Faith has other ideas. Tash and Hugo Beauchamp are the undisputed golden couple of British three-day-eventing, but their mettle is put to the test by the arrival of The Devil on Horseback, brooding Kiwi rider, Lough Strachan. Lough holds the key to Hugo's darkest secret, and he intends to use it to access his greatest rival's beautiful wife.

In *How to French Kiss with Confidence*, William Cane reveals that there is more to French kissing than simply locking lips and wig-

gling tongues. Through a hundred thousand interviews he has discovered the truth about what men and women do, think, and feel when they French kiss. Their input and his expert knowledge can help you to master the secrets of great French kissing.

Chantal Hébert's first book is both a post-mortem of the Canadian federation that died on January 23, 2006, the night of the last federal election, as well as a brilliant examination of our changing political future, one that involves living with Quebec rather than just wooing it. On that night, award-winning political writer and broadcaster Chantal Hébert stood in a Calgary convention hall with 2,000 Alberta Conservatives, who were raucously cheering the election of ten Tory MPs from Quebec. The Conservatives would not have gotten their man in office without Quebec, and now the future success of the Harper government hinges on turning this one-night stand into a long-term relationship. More than ten years ago, the Quebec-Alberta coalition cobbled together by Brian Mulroney dissolved, leading to the births of

the Bloc Québécois and the Reform Party. As a result, Alberta and Quebec took their marbles out of federal play, and Ontario got to run Canada. Have we now come full circle? By the time this book is published, the Liberal Party of Canada may have morphed into the Liberal Party of Ontario (or Toronto). And the Canadian Left will have chosen a camp in preparation for a decisive federal election battle. Provocative and always worth listening to, Chantal Hébert is at her savvy and insightful best in *French Kiss*. No Canadian can be truly informed on the subject of Canadian politics without the benefit of her non-partisan commentary.

As sweet as a macaron from Laduree, this romantic novel set in Paris about an American ballerina and a charming French boy is parfait for fans of *American Royals* and Netflix's *Emily in Paris*. Mia Jenrow has always known she's destined to be a professional ballerina. In fact, it's in her blood—according to family legend, her too-many-greats-to-count-grandmother once danced for the Paris Opera and was painted by Degas himself! Her parents say it's just a fantasy, but to Mia it's so much more than

that. It's her fate. Mia is planning to spend a magical summer in France pursuing her dream, but as she pirouettes into Paris, she soon realizes it may be a bit more complicated than she hoped. For starters, there's her rival, Audrey, who will stop at nothing to show her up. There's her ballet instructor, whose impossibly high standards push her to the breaking point. And then . . . there's Louis. Devastatingly, distractingly charming Louis. He's eager to show Mia his city—and Mia is more than happy to hop on his Vespa and wrap her arms around him as they pass the gleaming lights of the Eiffel Tower. Mia's summer was supposed to be about ballet—but there's a reason Paris is called the City of Love. . . .

From the New York Times bestselling author of the *Whatever After* series, the sequel to *Bras & Broomsticks* and the second book in the hilariously bewitching *Magic in Manhattan* series! Rachel has finally come to terms with the outrageously unfair fact that her younger sister, Miri, has inherited magical powers from their mom. But now the whole witchcraft thing is spiraling out of control. Mom is a magicaholic, Miri's on a

Save the World kick, and the one teeny tiny love spell that Rachel begged for has gone embarrassingly, horribly wrong. Suddenly, the fate of everything is in Rachel's hands. Her family. The world. Senior prom. "I loved this book—it's even funnier than *Bras & Broomsticks*. More hormones, more action, more magic—more Mlynowski. What else could you want?" —E. Lockhart, author of *We Were Liars* and *Genuine Fraud* "A creative, frolicsome tale . . . Readers will find themselves quickly swept away on the broomstick of Mlynowski's second installment." —New York Post "Just as sweet and funny as its predecessor . . . wonderfully fast-paced and clever." —Booklist "Simply charming." —Publishers Weekly

A Major New Translation *The Red and the Black*, Stendhal's masterpiece, is the story of Julien Sorel, a young dreamer from the provinces, fueled by Napoleonic ideals, whose desire to make his fortune sets in motion events both mesmerizing and tragic. Sorel's quest to find himself, and the doomed love he encounters along the way, are delineated with an unprecedented psychological depth and realism. At the same time, Stendhal weaves together the social life and fraught politi-

cal intrigues of post-Napoleonic France, bringing that world to unforgettable, full-color life. His portrait of Julien and early-nineteenth-century France remains an unsurpassed creation, one that brilliantly anticipates modern literature. Neglected during its time, *The Red and the Black* has assumed its rightful place as one of the world's great books, and Burton Raffel's extraordinary new translation, coupled with an enlightening Introduction by Diane Johnson, helps it shine more brightly than ever before.

Abby Abernathy is re-inventing herself as the good girl as she begins her freshman year at college, which is why she must resist lean, cut, and tattooed Travis Maddox, a classic bad boy.

From a noted science journalist comes a wonderfully witty and fascinating exploration of how and why we kiss. When did humans begin to kiss? Why is kissing integral to some cultures and alien to others? Do good kissers make the best lovers? And is that expensive lip-plumping gloss worth it? Sheril Kirshenbaum, a biologist and science journalist, tackles these questions and more in *The Science of a Kiss*. It's

everything you always wanted to know about kissing but either haven't asked, couldn't find out, or didn't realize you should understand. The book is informed by the latest studies and theories, but Kirshenbaum's engaging voice gives the information a light touch. Topics range from the kind of kissing men like to do (as distinct from women) to what animals can teach us about the kiss to whether or not the true art of kissing was lost sometime in the Dark Ages. Drawing upon classical history, evolutionary biology, psychology, popular culture, and more, Kirshenbaum's winning book will appeal to romantics and armchair scientists alike.

World renowned photographer Anders Petersen explores the fringes of society with these haunting, documentary-style black-and-white photographs. The photographs found in this collection exude the poetic sadness, restlessness and sense of urgency that is characteristic of all of Petersen's work. The images are a raw, brutal and sometimes disturbing portrait of society set against the stunning backdrop of the south of France.

New town, new college,

new people, Edie's feeling overwhelmed. What if nobody wants to be her friend? But then something happens that turns her life upside down: Edie spots Dylan. Messy-haired, pouty, frustratingly elusive Dylan. . . Fast forward to the college trip to Paris and things are really heating up. In between the shopping, the clubbing, the kissing and the making up, something happens between Edie and Dylan that changes both their lives for ever. But do boys like Dylan ever play for keeps?

Meet Will as he struggles up a godforsaken mountain with other miserable campers, tosses aside all scruples to get in with the cool kids at school, searches for the true path to romantic love and tries to live up to his father's impossibly high standards.

I'd gotten his last name. Besides, you can't fall for someone in one day, especially when you live a world apart...Your French Kisses is a standalone novella in the Boyfriend Material series. This chilling and intense novel tells the story of a solitary young woman drawn into an online world run by a charismatic web guru who entices her into impersonating a glamorous but desperate woman. Now a series on Netflix. A sheltered young woman raised by a single mother, Leila often struggled to connect with the girls at school. On an internet community for philosophical and ethical debate, she finally comes into her own, and is flattered when the website's brilliant, charismatic founder invites her to be part of Project Tess. Communicating only through online channels, Leila immerses herself in Tess's world. She must learn every detail about this other woman's life: her mother's birthday, her favorite songs, her best friends, her first kiss. Because soon, Leila will have to become her. And Tess will disappear. FINALIST The Guardian First Book Prize British National Book Award--New Writers Award

Pinocchio, *The Tale of a Puppet* follows the adventures of a talking wooden puppet whose nose grew longer whenever he told a lie and who wanted more than anything else to become a real boy. As carpenter Master Antonio begins to carve a block of pinewood into a leg for his table the log shouts out, "Don't strike me too hard!" Frightened by the talking log, Master Cherry does not know what to do until his neighbor Geppetto drops by looking for a piece of wood to build a marionette. Antonio gives the block to Geppetto. And thus begins the life of Pinocchio, the puppet that turns into a boy. *Pinocchio, The Tale of a Puppet* is a novel for children by Carlo Collodi is about the mischievous adventures of Pinocchio, an animated marionette, and his poor father and woodcarver Geppetto. It is considered a classic of children's literature and has spawned many derivative works of art. But this is not the story we've seen in film but the original version full of harrowing adventures faced by Pinocchio. It includes 40 illustrations.

Chief of O.A.S. to assassinate General de Gaulle.

"A delectable mixture of ice cream and romance." —Publishers Weekly (starred review) "For fans of Jenny Han." —School Library Journal "A rare, enjoyable portrait of a woman-run business." —Kirkus Reviews From the author of *The Last Boy and Girl in the World* and *The List* comes a bold and sweet summer read about first love, feminism, and ice cream. Summer in Sand Lake isn't complete without a trip to Meade Creamery—the local ice cream stand founded in 1944 by Molly Meade who started making ice cream to cheer up her lovesick girlfriends while all the boys were away at war. Since then, the stand has been owned and managed exclusively by local girls, who inevitably become the best of friends. Seventeen-year-old Amelia and her best friend Cate have worked at the stand every summer for the past three years, and Amelia is "Head Girl" at the stand this summer. When Molly passes away before Amelia even has her first day in charge, Amelia isn't sure that stand can go on. That is, until Molly's grandnephew Grady arrives and asks Amelia to stay on to help continue

the business...but Grady's got some changes in mind...

BLURB An admissions department snafu at Manhattan's prestigious Juilliard School for the Arts, pairs a lovely African American girl in the same dorm room with a blond blue eyed Frenchman, both ballet students. Maybe it's karma, but sparks of frustration turn into the heat of attraction and within the week the pair are involved in an interracial romance with plenty of explicit sex. But just when things start really heating up, cruel fate steps in at Christmas vacation, when, after a second snafu, the lovebirds are separated by an ocean of despair--the Atlantic Ocean. EXCERPT When we got back to our room, Rene headed to one of the baths we'd be sharing with three other students, while I simply threw on a nightshirt and hopped in bed. I just lay there and reflected on what had Tami said. I'd naively thought I had my future at Juilliard mapped out. Rene would be my roommate and best friend for this year. For the next three years since the dorms were mostly for freshmen, I figured we could share an inexpensive two bedroom, New York flat. I was-

n't naive, I knew those seven words--an inexpensive two bedroom, New York flat--created an oxy-moron, but I'm an optimist. In the middle of my contemplation, Rene returned. His hair, now darkened and damp, hung uncombed, but that wasn't what caught my attention. The only thing that kept him from standing naked before me was a white towel wrapped around and tucked in his waist. He smiled. "Turn your head, ma chere, while I put my pajamas bottoms on." I did, but I sneaked a peek. My mouth watered as he turned his backside to me and dropped the towel. His broad shoulders and muscular chest veed into a narrow waist and ultra-sexy taut buns and that wasn't all. One at a time, he lifted a foot into each pajama leg, his shoulder muscles rippling, but before he pulled them up into place, every ounce of oxygen in my lungs exhaled and my pussy muscles clenched. From betwixt his muscular legs, the underside of his sex, the tip of his penis and his pinkish mauve scrotum, beckoned to me and I couldn't catch my breath. Finally when I thought I would pass out from oxygen deprivation, I gasped a breath of life. Rene

swung around, concern etched on his beautiful face. "Are you all right?" My eyelids rose and I gasped again as blood rushed to my clit and pussy. His long, thick male member dangled from the opening in his pajamas. He looked down and quickly inserted himself. "Sorry," he uttered, but the damage had been done. The damage, of course, was to my idyllic concept of how we could be platonic friends and roommates for the next four years. "Girl, you're going to be the horniest dancer in Juilliard. And what about him? Is he supposed to go without for four years?" What Tami had been trying to tell me slammed into my mind like a head on collision. Why hadn't this been a problem last night? Because, you idiot, you both fell asleep in your clothes after talking half the night. He smiled. "Are you going to sleep?" "If I can." "Would it bother you if I did some things on my computer?" Apparently on the way to losing my mind, I blurted out, "This wouldn't be a problem if you weren't so God damned good looking," and rolled over to face the wall. "What?" My head turned back part way. "Never mind, forget I said

that. "The mattress sank behind me and then a tender stroke brushed my arm. "No, mon amour, what is bothering you?" I turned back over onto my back and raised up on my elbows. "I'm sorry, I'm so mixed up right now, it's driving me crazy."

Seventeen-year-old Carter Lane has wanted to be a chef since she was old enough to ignore her mom's warnings to stay away from the hot stove. And now she has the chance of a lifetime: a prestigious scholarship competition in Savannah, where students compete all summer in Chopped style challenges for a full-ride to one of the best culinary schools in the country. The only impossible challenge ingredient in her basket: Reid Yamada. After Reid, her cute but unbearably cocky opponent, goes out of his way to screw her over on day one, Carter vows revenge, and soon they are involved in a full-fledged culinary war. Just as the tension between them reaches its boiling point, Carter and Reid are forced to work together if they want to win, and Carter begins to wonder if Reid's constant presence in her brain is about more than rivalry. And if maybe her desire to smack his mouth

doesn't necessarily cancel out her desire to kiss it.

The author recounts humorous, sad, traumatic, romantic, and confusing episodes from his childhood. Gerard Leon and Linda Coriola fight for the same cause. The attractive French doctor and the beautiful Italian sculptress both donate their time and money to Hope - a clinic for children's cancer research and treatment. From the moment they meet, even the air between them crackles with intense attraction. But Linda's past makes it difficult for Gerard to understand her scars and battle with her demons. In search of a cure for cancer and armed with an innovative treatment themselves, they leave for Transylvania, that enigmatic land hidden in the heart of the Carpathians. There they get lost and have a bizarre experience in the Hoia-Baciu forest, nicknamed The Romanian Bermuda Triangle due to all the inexplicable paranormal phenomena happening in its depths. But no

one believes them, because they don't have any proof of said experience. Or do they?... *"A French Kiss in London" is the sister-story of "Falling for Italy" and the first book in The Coriola Saga. Each book can be read as a stand-alone.

Felix Sylvian is a charming, silken-tongued dilettante; he has the sex-appeal of a school-girl's daydream and the soul of a poet. But he has one nasty habit he can't seem to break: a sadistic tendency to ride rough-shod over any girl foolish enough to fall for him. Saskia Seaton is Felix's latest victim. Once a beautiful, precocious, aspiring actress, she is now a suicidal wreck after a whirlwind affair with Felix and a force ten finale. Retreating to lick her wounded

pride, she decides she wants poetic justice. And her friend Phoebe's the one to get it. With Saskia's help, Phoebe will become Felix's dream woman. She will pursue him across his London playground and seduce him until he falls in love with her and then she will drop him just as he has so many women in the past. But Phoebe doesn't realise that when she tries to break Felix's nasty habit, she'll find herself breaking her own heart.
