Discusses the growing trend toward accelerated learning and the pressure put upon parents to meet constant expectations, introducing creative games that parents can play with their child to enhance development.

You'll love these Bible-themed numbers flash cards as much your kids! Fun, colorful designs complement the numbers 1 through 20 on 48 unique cards designed to help build counting and number recognition skills for kids ages 4 and up. After playing with the flash cards, download the free song "Who Built the Ark" to further enhance your child's love of learning!

The use of numbers is a skill developed from an early age. Counting is the action of finding the number of elements of a finite set of objects by continually increasing a counter by a unit for every element in the set, in some order. Counting is used by children to demonstrate knowledge of the number names and number system. This book provides various activities formats for children. Learn to trace, read, write, and recognize numbers as well as counting images.

Flash Kids Flash Cards offer essential practice in key concepts such multiplication, division, the alphabet, sights words, and state capitals. Containing 88 cards in each package, these cards are sturdier than others on the market.

These cards will help your child learn to write the numbers 1-30 properly. Using the special pen, write & wipe cards can be used to trace as many times as you wish for repeated practice.
