Footprints In The Sand Bible Verse That Best Depicts The Poem

Footprints in the sand: one belonging to him, and the other to the Lord. When the last scene of his life flashed before him, he looked back at the footprints in the sand. He noticed that many times along the path of his life there was only one set of footprints. He also noticed that it happened at the very lowest and saddest times in his life.

Footprints in the Sand. One night I dreamed a dream. I was walking along the beach with my Lord. Across the dark sky flashed scenes from my life. For each scene, I noticed two sets of footprints in the sand, one belonging to me and one to my Lord. When the last scene of my life shot before me I looked back at the footprints in the sand.
