Just a specific point on the Arabic edition of Living Language. If you've read my Rosetta Stone review, you may remember me mentioning that the worst mistake they made with RS Arabic (rendering it practically useless as a learning tool) was choosing to use Modern Standard Arabic instead of a spoken dialect.. Living Language is the same - only it has even more atrocious dialogue than RS.

Bonus Audio: Drive Time English. If you've purchased either of the Living Language Drive Time English audio programs, you can download these free listener guides featuring example words and sentences from the pronunciation, vocabulary, and idioms CDs, as well as a full transcript of the dialogues CD(s).
