Published in 1934, For Two Thousand Years is a Jewish University student trying to come to terms with antisemitism that is growing in Romania. He is walking a tightrope between the Zionists and the Communists in the Jewish community. He has friends on both sides. He also has friends that want to do something about the "Jewish problem".

For Two Thousand Years is a prescient, heart-wrenching chronicle of resilience and despair, broken layers of memory and the terrible forces of history.

When he returns home in 1923 at the height of beatings at the university, he hears a man named Moritz Bercovici utter the despairing words, "'For two thousand years' . . . trying to explain to me the cause of our persecution." The utterance of those "two thousand years" recurs repeatedly in the novel, most piercingly towards the end:

'Nothing I have read is more affecting than Mihail Sebastian's magnificent, haunting 1934 novel, For Two Thousand Years' - Philippe Sands, Guardian Books of the Year A prescient interwar masterpiece, available in English for the first time 'Absolutely, definitively alone', a young Jewish student in Romania tries to make sense of a world that has decided he doesn't belong.

Committed to publishing great books, connecting readers and authors globally, and spreading the love of reading.

For Two Thousand Years is a chronicle of what it means to be born inside a trap. Sebastian managed to survive the many massacres that followed during World War II, documenting them in a diary later published as *Journal 1935-1944: The Fascist Years*, only to die in 1945 in a traffic accident. One can wonder whether the tragedies and triumphs of ...
