Four Souls, she was called. She would need the name where she was going. The next morning, Fleur pushed the cart into heavy bramble and piled brush over to hide it. She washed herself in ditch water, braided her hair, and tied the braids together in a loop that hung down her back.

After a dream vision that gives her a powerful new na. This small but incredibly rich chapter in Erdrich's ongoing Native American saga is a continuation of the story of the enigmatic Fleur Pillager, begun in *Tracks* (1988). *Four Souls* begins with Fleur Pillager's journey from North Dakota to Minneapolis, where she plans to avenge the loss of her

family's land to a white man.

Four Souls(2004) is an entry in the Love Medicine-series by Chippewa (Ojibwe) author Louise Erdrich. It was written after *The Master Butcher's Singing Club*(2003) and before *The Painted Drum*(2005); however, the events of *Four Soul*stake place after

Tracks(1988).[1] *Four Souls*follows Fleur Pillager, an Ojibwe woman, in her quest for revenge against the white man who stole her ancestral land.

Fleur Pillager is one of Louise Erdrich's legendary characters. Fleur is legendary within the world Erdrich has created as well as being an iconic character of Erdrich's work as a whole. "Four Souls" continues the story of Fleur that was begun in Erdrich's second novel "Tracks".

Four Souls Analysis - eNotes.com

Sunday Morning! "Four Souls" by Louise Erdrich - Ordinary ...

This week, I read Louise Erdrich's novel *Four Souls* about an Ojibwa woman seeking revenge on the lumber baron who has stolen her land, along with many plots of native land.

It's a sad and powerful novel, but also very funny and ribald in spots that reminded me of Jim Harrison, whose work I adore.
