A practical english grammar has now been revised and reissued in a fourth edition. The text has been rewritten in many places to bring it up to date. Some material has been rearranged to make it simpler for the reader to compare related topics. There is fresh or fuller treatment of many subjects, notably in the chapters on nouns.

'Practical English Usage' is probably the first book I read about English language grammar and structure. Now it is one of the main sources I use for teaching English. The book is very useful and quite detailed. I first read it when I was a school student, and it really helped me learn more about the nuances of English.
