Framework Personalization Guide. The most current version of this Personalization guide is published in the Oracle Applications Documentation Library, which is supplied on a physical CD in the Oracle Applications Release 11.5.10 software bundle. This document may also be obtained in hard copy format from the Oracle Store.

### **Oracle Application Framework Developer's Guide**

Personalization strategy is the least understood element of the customer journey. Teams understand how a more personal experience will drive more conversions and engagement, but they don't understand how to personalize their entire customer experience at scale - beyond just "Hi {firstname}!". Orchestration and personalization are two sides of the same coin.
