The blend facilitates co-teaching and includes AS and A Level Student Books and online resources delivered via Kerboodle.

In an age of rampant xenophobia and the nativist imperative to undo globalization for a return to a bygone, “purer” age, can patently modern identities indefinitely sustain their messages of inclusion and equality? This volume serves to answer this and other pressing existential questions by tracing the development of the Caymanian people from the colonial era into our modern globalized, multicultural age. The emergence of Caymanian nationalism is extensively analyzed and confirmed as a phenomenon that was preceded by fragmented Caymanian identities informed by issues of race and class. Despite this, the native Caymanian people were able to successfully jettison their race-thinking, and in so doing, began to see themselves as members of a singular nationality. This notion of national and cultural solidarity, as this book details, has become a vexing issue, and is now being duly tested given the astonishing numbers of immigrants in Cayman, many of whom are keen to become Caymanians themselves.

Ensure that the needs of all IB Students are met with this comprehensive and flexible Student Book, written specifically for the updated Spanish ab initio course. - Communicate confidently by exploring the five prescribed themes through authentic texts and skills practice at the right level, delivered in clear learning pathways. - Produce coherent written texts and deliver proficient presentations with grammar and vocabulary introduced in context and in relation to appropriate spoken and written registers. - Improve receptive skills with authentic written texts, audio recordings spoken at a natural pace, and carefully crafted reading and listening tasks. - Promote global citizenship, intercultural understanding and an appreciation of Hispanic cultures through a wide range of text types and cultural material from around the world. - Deliver effective practice with a range of structured tasks within each unit that build reading, listening, speaking and writing skills. - Establish meaningful links to TOK and CAS, and identify learner profile attributes in action. The audio for the Student Book is FREE to download from www.hoddereducation.com/ibextras Answers to the Student Book are included in the accompanying subscription based, Teaching and Learning Resources
