Amazon.com: Customer reviews: From Voting to Violence ...

In From Voting to Violence, Jack Snyder shows how democratization can actually exacerbate nationalist fervor and ethnic conflict if the conditions permitting a successful transition are not in place. Arguing that international organizations can cause conflict rather than averting it in their rush to establish democratic governments and punish outgoing leaders, he prescribes policies that will make transitions less dangerous and allow fledgling democracies to flourish.

snyder's book breaks down the fallacies of imposing democracy as the cure-all to violent ethnic conflict. the book is quite easy to read, even for folks with no political science background. snyder is particularly effective at laying down a systematic framework as to why emerging democratization often leads to violence, and then provides case studies that illustrate his points clearly. snyder ...

From Voting to Violence examines the ways in which democratization can exacerbate nationalist fervor and ethnic conflict if the conditions promoting a successful transition are not in place. The book argues that international organizations sometimes cause more conflict than they avert in their rush to establish democratic governments and punish outgoing leaders.

From Voting to Violence: Democratization and Nationalist ...

With the collapse of the Berlin Wall in 1989, many proclaimed the triumph of liberal democracy as they watched democratization sweep through formerly authoritarian countries in Latin America, Eastern Europe and East Asia. Yet the 1990s turned out to be a decade marked by chronic nationalist conflict and the sense of democratic triumph turned to frustration.

From Voting to Violence - The New York Times

Democracy is often seen as an important conflict resolution tool. Electoral give-and-take provides incentives to compromise and moderation, so the conventional wisdom goes. Therefore, disputes can be solved peacefully rather than through resorting to violence.
