Excel: In addition to refining your worksheets so they're easier to understand, you can also master formulas, functions, and data analysis. PowerPoint: Find out how to make your presentations come alive with text, graphics, backgrounds, audio, and video. This book also contains a chapter with guidance and tips for delivering presentations—in person or virtually. Outlook: From helping you to manage your contacts, inbox, calendar, and tasks, Outlook can organize your days and keep you working productively. Access: Not everyone needs to build and maintain databases, but if that's part of your job, this book has all the hands-on information you need to get going: Build a database table, enter data, sort and query data, and filter data into report format. Publisher: The Publisher book is a quick-and-dirty introduction into desktop publishing, helping you to design a publication using built-in color schemes, templates, fonts, and finishing touches like borders and backgrounds. The last three books cover material that applies to all the applications. Book 8 shows you how to create charts, handle graphics and photos, and draw lines and shapes. Book 9 provides a quick primer on customizing the Ribbon, the Quick Access toolbar, and the Status bar, and guidance on distributing your work (via printing, emailing, converting to PDF, and more). Finally, Book 10 wraps up with how to use OneDrive, especially for file sharing and online collaboration. If you need to make sense of Office and don't have time to waste, Office 2019 All-

Beyond point-and-click The goal of the Exploring series is to move students beyond the point-and-click, to understanding the why and how behind each skill. And because so much learning takes place outside of the classroom, this series provides learning tools that students can access anywhere, anytime. Students go to college now with a different set of skills than they did years ago. With this in mind, the Exploring series seeks to move students beyond the basics of the software at a faster pace, without sacrificing coverage of the fundamental skills that everyone needs to know.
