The daily devotions on prayer for physical healing continue in Week 5! Sickness and miraculous healing are shrouded in mystery. Not many know how to pray for themselves or a loved one when they are sick. Not only that, most people don't feel confident that God is willing to help them when they pray. After John W. Nichols (author of **GOD IS HERE**) discovered his daughter had many symptoms of autism, he began reading the Bible with new eyes, trying to understand healing for today. Soon he felt impressed to fast for 7 weeks and pray

through Scriptures about healing daily. Healing is Here: A 49-Day Devotional Journey of Healing Through the Bible, compiles the author's notes and prayers during his fast. It has been organized to apply to anyone who wants to learn about healing at their own pace, with Scriptural support, suggested prayers, and journaling prompts. (There is no requirement to fast while going through this devotional) John systematically teaches the mysteries he has unlocked over the course of four years of studying and applying Biblical Christian healing. He wrote this devotional with the hope of helping others who are in similar

circumstances: those who desperately need healing, aren't sure how to pray, and are wondering if God is willing to help. Week 5 covers verses that reveal: • What Holy Communion has to do with healing • How to practically put on the armor of God • What needs to be done in order to keep sickness from returning • How to let Jesus heal your past • How we are called to minister healing like other ordinary people in the Bible • The effectiveness of prayers from a distance • How we need the anointing of the Holy Spirit and spiritual gifts Over the course of the full 49 days you will discover: • What is God and Jesus's will re-

garding healing • How Jesus fulfilled prophetic verses of healing • How God's will is accomplished • What we can learn from the remarkable similarity between salvation and healing • What do covenants have to do with sickness and healing • How to receive the same blessings God promised His people in the Bible • How God disciplines and teaches us • What faith has to do with healing • What we can learn about God by looking at Jesus in the gospels • How sin and righteousness affects healing • What the Bible teaches us about evil spirits • How Jesus showed us to fight the enemy, and how to be equipped for that fight • How Satan attacks, and what we can do about it • What Jesus told His disciples (and us) to do • What is the right atmosphere for healing • How to exercise and apply Jesus's name, authority, anointing, and blood • How fear and doubt play into sickness and how to overcome them • How to heal the soul (thoughts and emotions) • What are the promises and benefits of God, and how to claim them • How fasting affects healing • Many surprising (and practical) elements of healing seen in the Bible which can be applied today Don't forget to get the free

The introduction and first devotional gave me a hunger to know more about healing." — Danielle Edens, Author of Breaking Out of the Cocoon, Founder of Second Chance Dreamers "John Nichols is an example of a young man whose life has been marvelously transformed when he surrendered to Christ. He now lives to share what he has learned with others. His Bible-based teaching will lead every follower of Jesus into a deeper, more joyful walk." — Joanne Hillman, Author of Listening Prayer, A Perfect Marriage, Song of Salome, and more, JoanneHillman.com Most people around us have specific questions pertaining to the Christian faith. This simple booklet will not intimidate the reader or overwhelm them with content. Easy to digest these outreach booklets are a great giveaway to people wanting to refresh their faith or explore something new Why the call to Love Thy Body? To counter a pervasive hostility toward the body and

biology that drives today's headline stories: Transgenderism: Activists detach gender from biology. Kids down to kindergarten are being taught their bodies are irrelevant. Is this affirming--or does it demean the body? Homosexuality: Advocates disconnect sexuality from biological identity. Is this liberating--or does it denigrate biology? Abortion: Supporters deny the fetus is a person, though it is biologically human. Does this mean equality for women--or does it threaten the intrinsic value of all humans? Euthanasia: Those who lack certain cognitive abilities are said to be no longer persons. Is this compassionate--or does it ultimately put everyone at risk? In *Love Thy Body*, bestselling author Nancy Pearcey goes beyond politically correct slogans with a riveting exposé of the dehumanizing worldview that shapes current watershed moral issues. Pearcey then turns the tables on media boilerplate that misportrays Christianity as harsh or hateful. A former agnostic, she makes a surprising and persuasive case that Christianity is holistic, sustaining the dignity of the body and biology. Throughout she entrances readers with compassionate stories of people wrestling with hard questions in their

own lives--their pain, their struggles, their triumphs. "Liberal secularist ideology rests on a mistake and Nancy Pearcey in her terrific new book puts her finger right on it. In embracing abortion, euthanasia, homosexual conduct and relationships, transgenderism, and the like, liberal secularism . . . is philosophically as well as theologically untenable."--Robert P. George, Princeton University "Wonderful guide."--Sam Allberry, author, *Is God Anti-Gay?* "A must-read."--Rosaria Butterfield, former professor, Syracuse University; author, *The Secret Thoughts of an Unlikely Convert* "An astute but accessible analysis of the intellectual roots of the most important moral ills facing us today: abortion, euthanasia, and redefining the family."--Richard Weikart, California State University, Stanislaus "Highly readable, insightful, and informative."---Mary Poplin, Claremont Graduate University; author, *Is Reality Secular?* "Unmasks the far-reaching practical consequences of mind-body dualism better than anyone I have ever seen."--Jennifer Roback Morse, founder and president, The Ruth Institute "Love Thy Body richly enhances the treasure box that is Pearcey's collective work."--Glenn T. Stanton, Focus on the

Family "Essential reading . . . Love Thy Body brings clarity and understanding to the multitude of complex and confusing views in discussions about love and sexuality."--Becky Norton Dunlop, Ronald Reagan Distinguished Fellow, The Heritage Foundation "Pearcey gets straight to the issue of our day: What makes humans valuable in the first place? You must get this book. Don't just read it. Master it."--Scott Klusendorf, president, Life Training Institute *Jesus Healed You!* ...is more than just the name of this book. It is a reality that is available for every person to experience. No matter the severity of your condition (even as it looks now!) remember that Jesus Christ has already healed you. Notice what His word says in 1 Peter 2:24: "By whose stripes ye were healed" It's a past tense...it's a done deal! Many say: "HIS time for my cure has not yet come..." We are actually insulting Jesus and His finished work for us, as the work was already done over 2000 years ago. It's already there in the spiritual realm. We just got to reach out to it! Sadly, many have waited for years in despair for 'His time' and gone in that condition, not knowing they already had it, but just not claimed it!

One of the most important things that every believer needs to know is how to receive divine healing that has already been provided for us from the Lord and how to live in good health. Unfortunately, because of our wrong religious upbringings, many of us have been taught that God doesn't always heal; either He puts sicknesses on us to teach us something, or He gets glory out of our being sick or even that healing has passed away. But according to the scriptures, healing comes from God and sickness and disease comes from the devil. God plainly shows us in His Word that He is the Great Physician and the devil is the afflicter: Exodus 15:26: "...FOR I AM THE LORD THAT HEALETH THEE." So healing is yours now! Jesus Christ paid a great price to provide healing for you. All you have to do is know out how to receive it. This book is therefore to help introduce Jesus the Healer, and enable you to claim the healing HE has already provided for. Healing is the manifestation of God's love for you and me. The Bible shows us that Jesus came as the perfect representation of God's heart towards mankind. Everyone mentioned in the Bible who came to Jesus for healing were made well. Healing is not

something you get because you deserve it. It's a free gift from God for all people. God wants you healed and He wants you to have good health. So just Fasten Your Seat Belt and Expect a Move of God as you read through the pages of this book, claiming your healing that He has already provided!

In the midst of an ongoing debate about health care, what does the Bible say about healing? Here a respected scholar reads biblical texts on health and healing with care and imagination, engaging the reader in lively conversations with the text and with questions of contemporary theological and pastoral concern. Gaiser offers close readings of fifteen key Old and New Testament passages, considering their significance for the church's understanding of healing and its ministry today. The book examines such significant matters as God's role in healing, the relation between sickness and sin, healing and prayer, God's healing and medical science, and healing under the sign of the cross, offering fresh insights for anyone interested in Christian views on healing.

Alpha -QOL chapter 13Is God healing peo-

ple today?What about modern medicine? What does the Bible say about healing?

In Lord, Heal Me, author Richard Mull wants believers to know that Christ's sacrifice for our salvation granted wholeness in spirit, soul, and body. It is God's will for His people to walk in that wholeness, power, and authority; yet many believers allow doctrine and unanswered prayer to inhibit their faith in God's ability to bring restoration to their bodies. Mull approaches the subject of healing objectively using Scripture, not opinion, to serve as the foundation for his explanation of how believers can and should exercise the dominion God gave them. He examines accounts of healing in the Old Testament, in Jesus' ministry, and in the early church to answer questions like, Does God still heal today? What must a person do to receive healing? Is there a connection between sin and illness? and To what extent should Christians rely on doctors and medicine to cure sickness? The book's clear, easy-to-read structure will allow new and mature Christians to understand the message and hear God's will for their lives in the area of healing without feeling condemned.

Health is something everyone wants. Bil-

lions of dollars are spent each year trying to retain or restore health. It is a basic desire of all mankind. Anyone who likes sickness must be mentally sick! Yet, religion has told us that God is the one who wants us sick. It even tries to make us believe that sickness is a blessing. That's just not true. God wants you well. Healing is in Christ's Atonement. Jesus died for our health just as much as He died for the forgiveness of our sins. This has to be the foundation of our faith for healing. Many Scriptures relate the healing of our bodies and the forgiveness of our sins in the same verse. Jesus went about healing all who were oppressed of the devil and told us to do the same. Jesus hasn't changed, it's the people who represent Him who have changed. What about Paul's thorn in the flesh? It is commonly believed that the apostle Paul had a sickness for which he besought the Lord for healing three times, and the Lord wouldn't heal him. From that assumption, people teach that God sometimes wants us sick. In this book, Andrew reveals what Paul's thorn in the flesh was, and it wasn't sickness. If it is God's will to heal everyone, then why isn't everyone healed? It's not because of God. And it's

not just because we don't have enough faith. We do have the faith to be healed. Jesus said the problem is our unbelief - unbelief cancels out faith. Instead of trying to get more faith or bigger faith, we just need a pure faith that isn't negated by unbelief. There are laws that govern the spiritual world just as there are laws that govern the physical realm. Electricity has been around since the beginning of the world, but mankind didn't benefit from electricity until recently, not because it didn't work, but because of our ignorance of the laws of electricity. Likewise, God's healing is here and available. It's only our ignorance of the laws which control the flow of God's power that keeps us from benefiting from it.

Jesus Christ is the same today, yesterday and forever. If God healed yesterday, he wants to heal today, if God heal today; he wants to heal tomorrow and forever. Healing is a part of the new covenant promises for every one of God's children. God want you well and healed. Sickness and diseases are not from God. Jesus came so that we can have life, and to have life abundantly. The abundant life means: great

amount of supply of life, health, wellness, and well being. Sickness is not part of the abundant life. Jesus carried our sins and sickness and took it to the cross for us all, so that we do not have to carry sickness, and by the stripes of Jesus Christ the price for our healing was paid, and by His stripes we are healed. The word of God is health to all parts of your body. As you feed your spirit with the word of God and meditate on it consistently; the healing power in the word of God will flow into your spirit, then to your body and entire being. There is life in the word of God.

You are a believer and so you must believe God and expect Him to confirm His word in your live right now. - The difference between the one that receives from God and

An Adventure Novel for Middle-Grade Readers Steeped in Magic, Mystery, and Glimmers of Hope—Book 1 in the Dream Keeper Saga Even though she's only 12 years old, Lily McKinley already feels the weight of the world's brokenness. She's seen it in her mother's exhaustion, her grandmother's illness, and the cruelty of Adam, the bully at her school. But most tragically, she experienced it two months ago when her father died in a terrible accident. As an artistic daydreamer, Lily has a brilliant imagination to help her cope, but that imagination often gets her into trouble. One day, it transports her to a fantasy world called the Somnium Realm, where her father's secret history embroils her in an epic quest. With the help of a dragon guide named Cedric, Lily battles evil shrouds, harpies, and other creatures to find her way through grief, rescue the

world from evil, and discover the power of redemption. This thrilling novel by Kathryn Butler mixes fantasy with Christian themes, taking middle-grade readers on a quest through castles, forests, and caverns to help a young girl find hope and usher in restoration. *Christian Themes: This exciting story invites readers into deep conversations about the gospel and theological issues including faith, mourning, sacrifice, salvation, and redemption Ideal for Middle-Grade Readers and Families: Includes kids' favorite fantasy and adventure elements with imaginative new characters and settings they'll love* Book 1 in the Dream Keeper Saga by Kathryn Butler "A Case for Healing Today is a wealth of information. It is well written. It confirms the fact that the gift of healing never died in the church. This is the kind of book I like to read. It is a serious study of the subject from the Bible, church history, and theology. In each area of study, Bob interacts with biblical scholars, historians, and theologians... A Case for Healing Today is an enlightening read. It is honest scholarship... I encourage anyone who wants to have a better grounding in the biblical, historical, and theological basis for believing

in the continuation of the gifts, especially the gift of healing, to make this book part of his or her library. This book is not milk, it's meat. It is a great introduction for pastors who have questions about the subject of the continuation of the gifts--especially healing and ministry of deliverance." Randy Clark, ThD, DMin, Founder and President of Global Awakening and the Apostolic Network of Global Awakening "A Case for Healing Today presents the best and most creative recent scholarship in both theory and practice of this neglected commission of Jesus. This work offers no standard rehash of what you've read before, but serves up many fresh insights into how the healing power of God expresses the truly authentic mission and teaching of Christ himself. A Case for Healing Today lays out the very essence of original Christianity; it is a bold challenge to the highly evolved, derivative, and impractical traditional theologies that distract from the clear focus of the core of the gospel (Rom 1:16)." Jon Mark Ruthven, PhD, Professor Emeritus Theology, Regent University; Doctor of Ministry Mentor, United Theological Seminary Jesus's command to the disciples to heal the sick and cast out demons was

an integral part of the proclamation of the gospel of the Kingdom of God. Christianity spread quickly through the early centuries of the church because of this demonstrated message. Did we lose God's gift of healing and deliverance in the church as the centuries rolled on? Can we mesh Christian healing with scientific progress? A Case for Healing Today presents biblical, historical, and theological perspectives on Christian healing. Through an understanding of author Bob Sawvelle's meticulous research, Christians can proclaim and demonstrate the good news of God's healing presence today. For nearly two thousand years, faith and prayer were integral to the healing process, but modern beliefs sometimes allow science to trump faith. While science has made tremendous strides in curing disease and repairing injury, Christians should embrace God's healing power as well. How has healing helped spread the good news of God throughout Christian history? Are divine healing and deliverance valid for today? In his new book, A Case for Healing Today, Bob Sawvelle applies the highest scholarly standards to the biblical, historical, and theological considerations of faith-based heal-

ing and deliverance from evil spirits. Through interviews with theologians and historians, he presents a complete picture of Christian healing, beginning with its roots in Jesus's miracles and his instructions to his disciples. He examines healing's historical fluidity, evidenced in Dark Age suspicions that gave way to Reformation enlightenment and hence shifted the teachings of church leadership. Lastly, he gives insight into the views of modern theologians as they grapple with the apparent incompatibility of faith and modern science. The result is a balanced analysis of the relevance of modern Christian healing that neither denies the benefits of science nor denigrates the Word of God.

God's Healing Scriptures from the Bible: Old Testament and New Testament (Healing Promises and Examples), Gospels, Books of Acts and the Epistles. Hundreds of scriptures listed. Does God Heal Today? Many of us often wonder if God still heals today. Many of us who believe that God does still heal today wonder when does God heal, why does God heal, and who does God heal. We also question what role we as ambassadors of God might have in the healing process. The answers to these

and many more questions about God's healing promise are contained in His Word. Thus, we must study God's Word. We must meditate on what God said about healing. We must pray and ask Him to give us a spirit of wisdom and revelation on this subject. Plus, we must submit ourselves to the truth that He reveals to us in His Word. Even though we see clearly in God's Word, from both His promise and His practice, that He heals, questions about Divine healing still remain in the Church today. That is why the scriptures in this book were compiled - to aid us in our quest to know the truth. This book does not attempt to address any of the theories, practices or claims of healing from the past or present or for the future. We simply seek to present God's Word on Divine healing and let the Holy Spirit do the talking to those who will study, meditate and pray on God's Word.

All you need is a miracle of Divine healing from God whatever your case may be. After what was known as Ebola virus, another most dangerous and devastating infectious, wide spreading disease has hit our world in the name of Corona Virus or COVID-19 so-called; and has claimed millions of lives... Whatever news you hear or see, fear not. Many are going through all manner of sufferings and afflictions around the world in these our days. No doubt, all the sufferings, wickedness and hatred we are facing in our time are already indicators of the end of this age, and consequently the heralding of the return of Christ. Yes, the world is drawing closer to the end, and no one except God and His Christ can -if they choose to- stop the chaos and turbulence all the world over, but there is a way of escape. "For I will restore health unto thee, and I will heal thee of thy wounds, saith the LORD", Jeremiah 30: 17.

“Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth”, 3 John 2 Many sicknesses and diseases are said to be incurable and terminal, many of which have defied medical science and genius, yet the Holy Bible says; "Bless Jehovah, O my soul; and all that is within me, bless His holy name. Bless Jehovah, O my soul, and forget not all His benefits; who forgives all your iniquities; who HEALS ALL your diseases"(Psalms 103: 1-3). So does it mean God heals all kinds of sicknesses that can attack and harass our mortal bodies? Truly God has already made provision for our healing and healthy living... Now the question is, does God heal all kinds of sicknesses & diseases? How do we lay hold on Divine Healing? How do we obtain a miracle of Healing? The Author in this book shows us the way to Divine Healing.

Have you ever prayed for a sick friend? Does God heal today? If so, why are so many people in pain around us? We have all heard stories of miraculous healings. But can we believe them? Why are some people healed and some not? Does God give ordinary Christians the authority to heal? As Ken Blue explores these ques-

tions he found plenty of answers, but none that satisfied him. He wanted answers that were true to Scripture and true to a loving and just God. His search into the Bible and into the ministry of healing has produced a rich and very human book. Here is a book for everyone who has ever prayed for a sick friend.

Why did Jesus heal, and does it matter now? The 1st-century world into which Jesus was born had all the challenges of any developing world setting, yet Jesus chose healing as the primary activity to stand alongside His teaching ministry. Why did He do that? What does it have to do with His mission? What relevance does it hold for today? Our God Is Healer confronts these questions. This is a shared conversation regarding who Jesus and the God of the Old Testament present themselves to be and what implications the answers hold for today. The daily devotions on prayer for physical healing continue in Week 3! Sickness and miraculous healing are shrouded in mystery. Not many know how to pray for themselves or a loved one when they are sick. Not only that, most people don't feel confident that God is willing to help them when they pray. After John W. Nichols (author of GOD is HERE) discovered his daughter had many symptoms of autism, he began reading the Bible with new eyes, trying to understand healing for today. Soon he felt impressed to fast for 7 weeks and pray through Scriptures about healing daily. Healing is Here: A 49-Day Devotional Journey of Healing Through the Bible, compiles the author's notes and prayers during his fast. It has been organized to apply to anyone who wants to learn about healing at their own pace, with Scriptural support, suggested prayers, and journaling prompts. (There is no requirement to fast while going through this devotional) John systematically teaches the mysteries he has unlocked over the course of four years of studying and applying Biblical Christian healing. He wrote this devotional with the hope of helping others who are in similar circumstances: those who desperately

need healing, aren't sure how to pray, and are wondering if God is willing to help. Week 3 covers verses that reveal: • How to recognize and claim the promises of God • How to experience the Kingdom of Heaven on earth • The importance of controlling your thoughts and feelings • How God teaches and disciplines His children • How to have peace instead of fear • Healing came with driving out evil spirits • Is the anointing of Jesus still active today? Over the course of the full 49 days you will discover: • What is God and Jesus's will regarding healing • How Jesus fulfilled prophetic verses of healing • How God's will is accomplished • What we can learn from the remarkable similarity between salvation and healing • What do covenants have to do with sickness and healing • How to receive the same blessings God promised His people in the Bible • How God disciplines and teaches us • What faith has to do with healing • What we can learn about God by looking at Jesus in the gospels • How sin and righteousness affects healing • What the Bible teaches us about evil spirits • How Jesus showed us to fight the enemy, and how to be equipped for that fight • How Satan at-

tacks, and what we can do about it • What Jesus told His disciples (and us) to do • What is the right atmosphere for healing • How to exercise and apply Jesus's name, authority, anointing, and blood • How fear and doubt play into sickness and how to overcome them • How to heal the soul (thoughts and emotions) • What are the promises and benefits of God, and how to claim them • How fasting affects healing • Many surprising (and practical) elements of healing seen in the Bible which can be applied today Don't forget to get the free resources linked within the book! "What I love about this devotional is that it answers questions about healing (mentally, physically, spiritually and emotionally) in such a relatable way. Each devotional is loaded with Bible verses, a prayer and thought provoking questions to help you journal your journey to healing and restoration. This is a must read for anyone from the new believer to the person that's walked with Christ their whole life. You will gain new understanding of the Scriptures and insight into who God is and how He wants to heal you." — Chris Hendrix, Author of Devotional Guide to Stretching Your Faith, Devotions By Chris, Devotions-

Healing is part of our portion as believers, so don't live another day sick. Pick up this book and get grounded in what the eternal Word has to say about wholeness in your body!" — Andrea Joy Moede, Writer, Coach, Speaker, Author of Misunderstood, Path of Truth, and God is Light, AndreaJoy.org "I had such a leap in my spirit that this book is going to be so anointed for the times we are in. The introduction and first devotional gave me a hunger to know more about healing."— Danielle Edens, Author of Breaking Out of the Cocoon, Founder of Second Chance Dreamers "John Nichols is an example of a young man whose life has been marvelously transformed when he surrendered to Christ. He now lives to share what he has learned with others. His Bible-based teaching will lead

every follower of Jesus into a deeper, more joyful walk." — Joanne Hillman, Author of Listening Prayer, A Perfect Marriage, Song of Salome, and more, JoanneHillman.com In The Balanced Approach to Healing Christ takes you on a journey through the Scriptures to provide you with faith and confidence that it is God's desire to heal the sick. "Jesus Christ is the same yesterday and today and forever" (Hebrews 13:8). Jesus still heals today. Yet what about the people who pray earnestly to God and are not healed? If it is God's will to heal, then why isn't everyone healed who asks? Christ deals with these questions and provides the answers that will help those seeking healing to maintain their confidence in God's will, and strengthen the faith of all believers concerning God's ability to do what He promises. Entirely biblical in its scope, this book will show you what is potentially hindering those who are in need of healing, while also helping you to understand how to continue pressing into God for what He promises.

In this age of skepticism, we are often told, "God doesn't work miracles today." Don't you believe it! God has not changed, and He's healing more today than yesterday. Do you need a miracle? Do you have a vision of yourself reaching out, praying and seeing someone healed right before your eyes? Understanding God's Divine Healing accurately follows the Bible both in historical and theological treatment and shows that divine healing is for us today.

God our Father is the same yesterday, today, and forever. Jesus healed many people of all kinds of circumstances, and he is still healing today. He cares about healing our bodies, our finances, and our marriages. God wants to meet our needs and the everyday trials, cares, and troubles in our lives. In *Healing Is For You*, author Brenda Oglesby gives insight into what God wants to do for you. Faith and belief in God is the key to experiencing the healing power of the Father. So read, enjoy, and watch God's bounty and blessing multiply.

All you need is a miracle of Divine healing from God whatever your case may be. After what was known as Ebola virus, another most dangerous and devastating infectious, wide spreading disease has hit our world in the name of Corona Virus or COVID-19 so-called; and has claimed millions of lives... Whatever news you hear or see, fear not. Many are going through all manner of sufferings and afflictions around the world in these our days. No doubt, all the sufferings, wickedness and hatred we are facing in our time are already indicators of the end of this age, and consequently the heralding of the return of Christ. Yes, the world is drawing closer to the end, and no one except God and His Christ can -if they choose to- stop the chaos and turbulence all the world over, but there is a way of escape. "For I will restore health unto thee, and I will heal thee of thy wounds, saith the LORD", Jeremiah 30: 17. "Beloved, I wish above all things that thou mayest prosper and be in health, even as thy soul prospereth", 3 John 2 Many sicknesses and diseases are said to be incur-

able and terminal, many of which have defied medical science and genius, yet the Holy Bible says; "Bless Jehovah, O my soul; and all that is within me, bless His holy name. Bless Jehovah, O my soul, and forget not all His benefits; who forgives all your iniquities; who HEALS ALL your diseases"(Psalms 103: 1-3). So does it mean God heals all kinds of sicknesses that can attack and harass our mortal bodies? Truly God has already made provision for our healing and healthy living... Now the question is, does God heal all kinds of sicknesses & diseases? How do we lay hold on Divine Healing? How do we obtain a miracle of Healing? The Author in this book shows us the way to Divine Healing.
