OHCHR | Gender and Human Rights

For reporting purposes, employers tend to "over-ask" for demographic data such as age, gender and ethnicity. Particularly when asked for something related to work, the question of gender with seemingly simple "female" and "male" options can pose a challenge for transgender people, particularly those that are in the process of or are considering gender transition genders.

Collecting Transgender-Inclusive Gender Data in Workplace ...

This guide draws on research commissioned by the Equality and Human Rights Commission in 2011, which developed and cognitively tested a range of questions for monitoring gender identity¹. 1 Balarajan, M., Gray, M. & Mitchell, M. (2011) Monitoring equality: Developing a gender identity question. Equality and Human Rights Commission

Collecting information on gender identity

Gender Perspective The human rights-based approach to social protection requires states to ensure that social protection programmes are designed, implemented and monitored taking into account the differences in the experiences of men and women. The impacts of social protection programmes are not gender neutral.
