EL9W12 - STOUT REYES

Physics: Principles with Applications. Textbook as a Tool. Page Layout and formatting was a key focus of this revision, even more than in the previous edition. Great effort was made to keep important derivations and arguments on facing pages so students do not have to flip pages to continue derivations or locate key figures referenced in the text.

The Fifth Edition maintains these strengths and brings a conceptual emphasis and real-world flavor to the examples, problems, and art program. In addition, the new edition features an unparalleled suite of media and on-line resources to enhance the physics class-

room.
