United Kingdom - United Kingdom - Urban settlement: By any standard the United Kingdom is among the most urbanized of countries, for towns not only typify the national way of life but are unusually significant elements in the geography of the country. The greatest overall change in settlement was, in fact, the massive urbanization that accompanied Britain's early industrial development.

Es difícil incluso para el creador del término negar que la frase «Consenso de Washington» sea un nombre errado (Naím 2002). Audiencias de todo el mundo parecen creer que este es un conjunto de políticas neoliberales que se han impuesto en países desventurados por las instituciones financieras internacionales con sede en Washington y los ha llevado a la crisis y la miseria.
