Crucial to understanding Islam is a recognition of the role of Muslim networks. The earliest networks were Mediterranean trade routes that quickly expanded into transregional paths for pilgrimage, scholarship, and conversion, each network complementing and reinforcing the others. This volume selects major moments and key players from the seventh century to the twenty-first that have defined Muslim networks as the building blocks for Islamic identity and social cohesion. Although neglected in scholarship, Muslim networks have been invoked in

the media to portray post-9/11 terrorist groups. Here, thirteen essays provide a long view of Muslim networks, correcting both scholarly omission and political sloganeering. New faces and forces appear, raising questions never before asked. What does the fourteenth-century North African traveler Ibn Battuta have in common with the American hip hopper Mos Def? What values and practices link Muslim women meeting in Cairo, Amsterdam, and Atlanta? How has technology raised expectations about new transnational pathways that will reshape the perception of faith, politics, and gender in Islamic civilization? This book invokes the past not only to understand the present but also to reimagine the future through the prism of Muslim networks, at once the shadow and the lifeline for the umma, or global Muslim community. Explanation of a Summary of al Aqeedatul Hamawiyyah of Ibn Taymiyah is the commentary on one of Ibn Taymiyyah's works "al-Fatwaa al-Hamawiyyah" which he wrote as an answer to a question presented to him in the Hijrah year of 698 from Hamaah, a place in ash-Shaam. In it, he was asked what the scholars and Imaams of the religion say concerning the Aayaat and the Ahaadeeth of the Si-faat, or the attributes and characteristics of Allaah. So he answered in about 83 pages and due to which, he suffered trials and afflictions. May Allaah reward him on behalf of Islaam and the Muslims with the best of rewards. Due to the difficulty in understanding and comprehending this answer from many readers, Ibn Uthaymeen has summarized the most important points from it along with some other needed additions.

INTRODUCTION Hajj, the fifth pillar of Islam, brings together Muslims of all races and creed to adopt two unidentifiable white pieces of cloth in an awesome demonstration of Islam's total disregard of insignificant issues like race, social position and nationality. Annually, several million people make the pilgrimage to Makkah from every corner of the globe, providing a unique opportunity of those different nations to meet one another, making it the largest gathering in the world. It is a clear-cut act of worship, but also it is symbolic and represents the spirit's return to its place of origin. Hajj is an essential duty (fardh) for all Muslims, who are physically and financially able to perform it. Allah Ta'ala has prescribed certain rites that a pilgrim should uphold for his pilgrimage to be correct. The primary condition is intention (niyyah),

while the others will be mentioned in their places. The meaning of the pilgrimage (Hajj meaning effort) is to leave all worldly activities aside and go forth to meet Allah Ta'ala. The purpose of Hajj is to develop consciousness of Allah Ta'ala and also spiritual upliftment. It is also an opportunity to atone sins collected throughout life. Prophet Muhammad [P-BUH] had said that a person who performs Hajj properly "will return as (sinless as) a newly born baby. Due to the usual practice of Umrah being performed before the Hajj, it was deemed appropriate that this publication starts with Umrah. The first part of this book deals with the procedures of Umrah. It clearly outlines the entire procedure of how Umrah should be performed, explaining each part of Umrah individually and giving a breakdown of which actions are necessary and which one's are Sunnah and virtuous. Thereafter the rites of Hajj are described in full in the same clear distinctive manner. Starting from the explanation of the three types of Hajj and how they differ. The "Hajj at a glance" diagram has been specially made to assist the Hajji in simplifying the procedure further.

Guide for Hajj and 'Umrah. It is an enlightening spiritual and practical guide for the sacred journeys of Hajj and 'Umrah. It's a guided tour through a number of very meaningful emotional and religious experiences. But it's also so much more... It is a journey of self-discovery as well as the discovery of Islam. It's a primer on Islamic practices that will undoubtedly intrigue and captivate both Muslim and Non Muslim audiences through engaging story-telling. * The text itself is well written and simple, getting straight to the heart of the matter of proper religious observance and practice on what may rightly be called the pilgrimage of a lifetime... * The photographs displayed near the end of the book are astounding and original, especially for readers from Non Muslim countries, who have in all probability never before seen such sights as the spellbinding, pure-as-

now brightness of Masjid-Nabawi at night, or the sober splendor of the Prophet's Mosque. * Interspersed with the practical maps, tips and guides that all pilgrims will appreciate are the most beautiful and heartfelt invocations and prayers to Allah, the Most Powerful and Compassionate, as well as a thrilling narration of Islam's early history and lore. Particularly moving and evocative is the beautifully retold beginning of sa'ee, "the struggle" as an act of absolute trust in Allah, as displayed by a desperate and lonely Hajar. Especially touching and profound is the authors' recommendation to work hard on understanding the du'as recited as a pilgrim, instead of "simply carrying pamphlets and reciting them in blind fashion without understanding their meaning". Such a warning is a necessity, as casualness might well impair the sincerity of the appeal, which should come straight from the pilgrim's heart. In short, this book is truly the perfect companion for a deeply spiritual and personal pilgrimage to the heart of Islam.

"This is the outstanding book on Saudi Arabia for readers desiring a comprehensive view of the subject embracing both background and contemporary foreign policy issues."--David L. Mack, chairman, Department of National Security Policy, National War College "The first general

survey of Saudi Arabia, to my knowledge, that combines scholarly analysis with breadth of scope, as well as a detailed and nuanced understanding of the country."--Bernard Reich, George Washington University David Long's portrait of Saudi Arabia depicts the kingdom as one of the least understood countries in the world. Encompassing all facets of Saudi life--the land and people, their religion and culture, the country's history, politics, economics, and foreign policy--the book presents scholarship in a highly readable narrative. Drawing upon extensive firsthand experience, Long depicts the often contradictory impulses of a country committed both to modernization and to the values of a traditional society. Alongside his discussion of oil and the Saudi economy, for example, is a chapter on the annual Hajj, or pilgrimage, to Makkah, a subject about which little has been written in English but one that is far more important to the millions of Muslims worldwide than the kingdom's oil wealth. At every turn Long looks at issues from a Saudi point of view as he explores the kingdom's successes, failures, and, most of all, its remarkable resiliency in response to the pressures of social change. David E. Long, a retired Foreign Service officer, has been a visiting professor at several American universities and is currently an international consultant on the Middle East and international terrorism. His publications include *The Anatomy of Terrorism* (1990) and *The United States and Saudi Arabia* (1985).

The Umrah Guide is written as a detailed step by step guide to perform Umrah. In the first section there is an introduction on why the different rituals are performed. Why do we perform Tawaf and why do you perform Sae'e. For many first time goers and also experienced ones there a recurring question on what to read between the rounds of Tawaf and Sae'e. While there are a lot of books written about Umrah and how to perform it, there has still been a great lack of examples of Duas you can read when you perform Umrah. The goal of this book is to give a detail description on how to perform the Umrah, and for each part of the journey provide examples of Duas you can read. For example what should you read after putting on Ebrahim or doing Ghusl, examples of Duas for each round of the Tawaf and Sae'e. So if you are going for Umrah for the first time, or have perform it before, this book will definitely give a rich and extensive guide on Duas you can read.
