When GuidedReadingIsn't Working

Guided Reading is a research-based instructional method in which a teacher works with a small group of students who are reading at similar levels at a particular point in time. The teacher supports each reader's development of effective reading competencies. However, unlike the reading groups of the past, the small,...

Reading a piece of material as a group and then gleaning meaning from that selection together is a helpful reading activity for many. If we do the reading strategy sessions with a light touch, we can accomplish two main goals: encouraging better reading comprehension and pointing readers to some good books.

Guided reading explained. The teacher will choose a set of books for the group she or he is reading with, that is appropriate to their level. Generally, teachers need to think about two things when carrying out a guided reading session: decoding and comprehension. Decoding means literally turning a written word into a spoken word,...

A Primer on Guided Reading | Lesley University

Peer observation of guided reading practice (for teachers) Noting specific examples of engagement and practice and using a reflective tool allows reviewers to provide feedback that is targeted to the evidence rather than the personality. Finding time for face-to-face feedback is a vital stage in peer observation.
