DISCIPLE IV UNDER THE TREE OF LIFE is the final study in the four-phase DISCIPLE program and is prepared for those who have completed BECOMING DISCIPLES THROUGH BIBLE STUDY. The study concentrates on the Writings (Old Testament books not in the Torah or the Prophets), the Gospel of John, and Revelation. Emphasis on the Psalms as Israel's hymnbook and prayer book leads natural to an emphasis on worship in the study. Present through the entire study is the sense of living toward completion - toward the climax

of the message and the promise, extravagantly pictured in Revelation. The image of the tree and the color gold emphasize the prod and promise in the Scriptures for DISCIPLE IV: UNDER THE TREE OF LIFE. The word under in the title is meant to convey invitation, welcome, sheltering, security, and rest - home at last. Commitment and Time Involved 32 week study Three and one-half to four hours of independent study each week (40 minutes daily for leaders and 30 minutes daily for group members) in preparation for weekly group meetings. Attendance at weekly 2.5 hour meetings. DVD Set Four of the five videos in

this set contain video segments of approximately ten minutes each that serve as the starting point for discussion in weekly study sessions. The fifth video is the unique component that guides an interactive worship experience of the book of Revelation. Under the Tree of Life Scriptures lend themselves to videos with spoken word, art, dance, music, and drama. Set decorations differs from segment to segment depending on the related Scripture and its time period. Set decoration for video segments related to the Writings generally has a Persian theme. Set decoration for the New Testament video seg-

ments emphasizes the simpler life of New Testament times.

Conversaciones escritas: Lectura y redacción en contexto, 2nd Edition contains updated data and resources including substantial revisions throughout the book as well as translated texts that have been re-edited for structure and fluency. This text includes more suggested video links in Spanish and writing activities based on essays to help readers write in Spanish. Each chapter contains a minimum of two readings presenting different aspects of a particular debate on topics. With the help of engaging essays and practice exercises that more closely reflect thematic content of chapters; the heart of this text deals with contemporary cultural and community topics. Visit author Kim Potowski's website at [potowski.org/conversaciones](http://potowski.org/conversaciones) for more information, plus a video detailing the text's pedagogical approach.

When novelists Deeanne Gist and J. Mark Bertrand first met in a Houston critique group, they never expected where friendship would take them. She wrote romance; he wrote crime novels. But growing respect for each other's work culminated in the decision to try blending their talents into this wonderfully engaging story merging romance and mystery. Rylee Monroe walks dogs in old-money Charleston, a part of the city recently targeted by a daring thief. Logan Woods works the crime beat for the local paper but dreams of a life as a nonfiction writer. When the string of robberies takes a strange twist, Logan sees the making of a once-in-a-lifetime book that seems to circle around this charming, eye-catching dogwalker. But pursuing the truth means ignoring that he seems to be falling for her. And what is she hiding in

her past that could crack the story wide open?

In 1988 Tehran, teenaged girls Farrin and Sadira are sentenced to death for homosexuality. Farrin prays that her wealthy family will be able to save them before it is too late. Based on a true story.-- "Publisher"
