Rose Publishing has produced one of the finest books I have ever seen. Every aspect of the charts, maps and time lines leaps off the page with spectacular color, incredible accuracy and intricate detail. . . . A must for every pastor and teacher who wants to clearly present the truths of the Bible." --Dr. Jerry Falwell, Founder of Liberty University "A compendium of charts, time lines, lists and illustrations to accompany study of the Bible. This visually appealing resource provides a wide array of illustrative and textually concise references, beginning with three sets of charts covering the Bible as a whole, the Old Testament and the New Testament. These charts cover such topics as biblical weights and measures, feasts and holidays and the 12 disciples. Most of the charts use a variety of illustrative techniques to convey lessons and provide visual interest. A worthwhile example is 'How We Got the Bible, ' which provides a time line of translation history, comparisons of canons among faiths and portraits of important figures in biblical translation, such as Jerome and John Wycliffe. The book then presents a section of maps, followed by diagrams to conceptualize such structures as Noah's Ark and Solomon's Temple. Finally, a section on Christianity, cults and other religions describes key aspects of history and doctrine for

certain Christian sects and other faith traditions. Overall, the authors take a traditionalist, conservative approach. For instance, they list Moses as the author of the Pentateuch (the first five books of the Hebrew Bible) without making mention of claims to the contrary. When comparing various Christian sects and world religions, the emphasis is on doctrine and orthodox theology. Some chapters, however, may not completely align with the needs of Catholic and Orthodox churches. But the author's leanings are muted enough and do not detract from the work's usefulness. As a resource, it's well organized, inviting and visually stimulating. Even the most seasoned reader will learn something while browsing. Worthwhile reference stuffed with facts and illustrations." --Kirkus Reviews

Proofs of the Interpolation of the Vowel-Letters in the Text of the Hebrew Bible and Grounds Thence Derived for a Revision of Its Au-

thorized English Version by Charles William Wall, first published in 1857, is a rare manuscript, the original residing in one of the great libraries of the world. This book is a reproduction of that original, which has been scanned and cleaned by state-of-the-art publishing tools for better readability and enhanced appreciation. Restoration Editors' mission is to bring long out of print manuscripts back to life. Some smudges, annotations or unclear text may still exist, due to permanent damage to the original work. We believe the literary significance of the text justifies offering this reproduction, allowing a new generation to appreciate it. The Besora'oth is a collection of the Four Gospels of the Brit Chadasha (New Testament) set forth in a PaRDeS format, with Hebraic terms inter-lineated for key concepts. There are also direct Hebrew quotes in both the Hebrew language and transliterated Hebrew for the English reader. These portions include the prayer, called the "our Father," the statements made at the Last Supper, the statement at the cross, the quotation of Yesha'yahu (Isaiah) 61, plus others. One of the most important features is the inclusion of the fragments from the Gospel according to the Hebrews (Eusibeus/Jerome). This book is an indispensable resource for those who preach the Gospels and seek understanding from a Hebraic point of view.

"Complete bible - old and new testaments The prime objective in producing this new edition of the scriptures was a desire to accurately represent the most sacred names of our Father and His Son. The personal name of the Heavenly Father, Yahweh, was inspired into the Hebrew and Aramaic texts of the Old Testament nearly 7000 times. This includes 134 instances where the Masoretic scribes admittedly changed Yahweh to the more common Hebrew Adonai. In all instances where LORD, or GOD was substituted for the Sacred Name in the English text we have properly restored Yahweh. It was also our goal to restore the Hebrew name of our savior Yahshua into the text."

"This is the first translation of the New Testament in English History based upon the newly discovered ROS Aramaic Hebrew texts. These texts date around 70 AD, 130 years earlier than P-45, P-46 and P-72, the next earliest large Greek texts of the New Testament. Bible scholars have long suspected the New Testament original manuscripts were written in Aramaic Hebrew, the language of the ChristUW and His disciples and then translated into Greek years later. The ROS manuscripts prove this conclusively. Hebrew phrases, original words abound and clarify hundreds of questions about the Messiah's original teachings in this first edition translation. It corrects 95-99% of the Greek manuscripts errors!Over 70 scholars from 12 countries have labored 8 years in it's making."

This Is A New Release Of The Original 1917 Edition.

For us, Jews who grew up in Israel, Jesus and His word were never part of the conversation. Not in our school system, not in our synagogues, and not in our media. Nor do we have easy access to the New Testament. Jesus has been studiously avoided, and hidden from our people. Today in Israel, 99.7% of the Jewish population, reject Jesus as the Messiah. How did our country, where the gospel first took place, come to be so adamantly against it?Within Judaism over the last two millennia, any kind of spiritual message had to go through the "gate keepers," the Orthodox Jewish Rabbis. The Rabbinic Judaism of the Orthodox comes directly from the sect of the "Pharisees," whom Jesus rebuked: "Woe to you, scribes and Pharisees, hypocrites, because you shut off the kingdom of heaven from people; for you do not enter in yourselves, nor do you allow those who are entering to go in." (Matthew 23:13)Ever since the days of Messiah, the Rabbis have set themselves in opposition to the gospel, blocking the message of Jesus from Israel. They deliberately prevent Jewish people from hearing about the free salvation offered to them in the death and resurrection of their own Jewish Messiah. They have gone to great lengths to conceal Jesus, and keep him the best kept secret in Judaism., keeping our people in spiritual darkness.But now the secret is out!After almost 2000 years, Jesus, or as we call him in Hebrew, Yeshua, can no longer be hidden from the people! Today, our ministry, ONE FOR ISRAEL, reaches Jewish and Arab Israelis exactly where they are - online. We no longer need the rabbis' permission for anything. We can go straight into the smartphones, tablets, and computers of every Israeli, sharing the saving good news of Yeshua the Messiah!In the past, the message of the gospel came to Israel from outside our borders, delivered by

people who didn't understand our language, our culture, our heritage or our way of thinking. Today the messengers look very different. Now it is Jewish and Arab Israelis who are bringing the gospel back to where it started - back to our own people Israel. We can explain the gospel to our people in a way that makes sense to them, in our own native tongues of Hebrew and Arabic as only Israelis can, and help our people understand who Yeshua really is. The Orthodox rabbis in Israel operate an "anti missionary" organization called Yad L'Achim, specifically to fight against the spread of the gospel among the Jewish people. This very well-funded organization, works very closely with the Minister of Interior in the Israeli government. They seek to prevent Jewish people from leaving the confines of Rabbinic Judaism by any means necessary (not always legally), and relentlessly persecute us, the Jewish believers in Jesus in Israel. With over 90% of the names, photos and addresses of all the Messianic Jews in Israel on file, Yad L'Achim began sending a magazine called "Searching" to the homes of believers in Israel back in 2014. The magazine contains objections and refutations from Orthodox rabbis about the messiahship of Jesus, the credibility of the New Testament, and trying to ridicule and destroy the belief in Jesus. This caused several Jewish believers, even including some who had been missionaries, to deny their faith in Jesus and revert to rabbinic Judaism. Over the past five years, I decided to go over all of their magazines, books and videos, in order to answer their arguments and prove their objections false. Since 2015 we have released about 150 short videos where we share the gospel and directly refute these rabbinic objections to Jesus, New Testament and Christianity. This book is a compilation of transcripts from these videos, all in one

place for your consideration. While the content of this book is based on five years of academic research, I did my best to write it in a simple, easy-to-read way, in order to keep this book as short as possible. Please SHARE links to this book!:)

With fresh spiritual insight, each chapter reveals what is happening with the baby's development that week, starting with the very first moment of conception, when God begins the creation of ei-

ther a boy or a girl. Readers will learn how the confidence they place in God affects the healthy development of their precious growing baby, and how to reduce their own stress and anxiety by looking to the Creator. In this interactive guidebook, the author shares excerpts from her pregnancy journal as an encouragement for women to write their own thoughts and feelings, and each chapter ends with a "Mother's Prayer" and "Scriptures for Meditation."

There are 13 ancient history books that are mentioned and recommended by the Bible. The Ancient Book of Jasher is the only one of the 13 that still exists. It is referenced in Joshua 10:13; 2 Samuel 1:18; and 2 Timothy 3:8. This volume contains the entire 91 chapters plus a detailed analysis of the supposed discrepancies, cross-referenced historical accounts, and detailed charts for ease of use. As with any history book there are typographical errors in the text but with three consecutive timelines running through the histories it is very easy to arrive at the exact dates of recorded events. It is not surprising that this ancient document confirms the Scripture and the chronology given in the Hebrew version of the Old Testament, once and for all settling the chronology differences between the Hebrew Old Testament and the Greek Septuagint. The Ancient book of Jasher is brought to you by Biblefacts Ministries, Biblefacts.org

*The Book of Jubilees*, an ancient text which details the history of the division of the Laws of Moses, is presented here complete. The text discusses the laws revealed to Moses and treats his character as a second creator of the world. Each chapter covers a range of history spanning 49 years, with Moses life story and other principal events told over a course of 2,410 years. Perhaps most importantly from a theological perspective, the book discusses the angels and how these entities formed a vital component of the Earth's creation. Enoch was taught by fallen angels; through them, he discovered writing and history. We also hear that early

man was formed from a mating of Earthly humans and fallen angels, but that these hybrids were killed during the Great Flood. The status of the Book of Jubilees was not properly ascertained until the 20th century, with the famous discovery of the Dead Sea Scrolls. Prior to this, the only manuscripts of Jubilees that were available date to the 15th/16th centuries in what is today Ethiopia, which left scholars unsure of its true origins. Modern scholars agree that the text dates to approximately 150 BC. Today, the text is mostly held as canonical in Ethiopia, while the Protestant and Catholic churches consider the work pseudepigrapha. Robert Henry Charles, the translator of this edition, was an Irish theologian and scholar who translated a range of Old Testament apocrypha and pseudepigrapha. Highly respected, he contributed entries pertaining to his field to the Encyclopedia Britannica, and spent his later years as the archdeacon of Westminster, London.

An inspiring and practical study of the temptation and transfigura-

tion of Christ.

What does it mean to be Yeshua's Disciple? Over two thousand years ago when Yeshua Messiah (Jesus) sent out twelve disciples to preach the "good news" to the nations, the message they were given was about repentance, belief, and keeping his Father's commandments. So how did the gospel of old become the religions, traditions and lawlessness we see today? How can people follow a Savior who isn't in the Scriptures, yet ignore the One who is? There is much confusion in the world concerning the Bible and what it means to be a disciple of Yeshua. Explore the life of Messiah and his disciples as you learn to navigate Scripture in the way it was meant to be read, taught and lived. Messiah wasn't someone who told people to believe without doing. He was a man of ac-

tion who demonstrated how we must obey the commandments of the Father, believe in his sacrifice for all sins, and demonstrate to the world, the saving message of repentance. He taught baptism for the remittance of sins and sent the Holy Spirit for today's believers. Learn what baptism really is, what it means to be Yeshua's Disciple, and watch the miracles, signs and wonders manifest by the power of the Holy Spirit just as they did so long ago. Salvation is real. Discipleship is key. Begin your walk with the living Elohim through his Son Yeshua with this insightful new teaching from Marcus Da Costa.
