46UZAP - OSCAR RODERICK

"Happily Ever After" by Susan May Warren falls prey to every stereotype in the book. It's a Christian romance and both aspects are so heavy handed the book becomes almost unbearable. Warren's writing is interesting and the end of the book is done very well.

The north woods easily became the foundation for my first series, The Deep Haven series.based on a little tourist town along the shores of Lake Superior. I have to admit – I’m terribly jealous of Mona, the heroine of my first full-length book, Happily Ever After, a Christy Award Finalist published in 2004 with Tyndale/Heartquest.
