Do you know the truth behind the dressing up and trick-or-treating that are important parts of this holiday? If not, you need to read this book with your child. Halloween comes every yearand so does the question: Mommy, Why Dont We Celebrate Halloween? Most likely, your child has either asked you this, or will ask you in the future. This is why you should be ready to explain Halloween to a kid, sharing the dangers of Halloween and discussing Halloween as a pagan holiday. This book will help your child have a Christian perspective on Halloween, making it clear why you dont celebrate the holiday. It reveals, in story form, the truth behind the activities that have become such an accepted part of Halloween traditions. Children who read this book and talk about it with their parents will learn how the "fun" of Halloween harms them. They will also learn what to say to others who do not understand the true meaning of Halloween.

Newell Lyon learned the oral tradition from his elders in Maine's Penobscot Nation and was widely considered to be a "raconteur among the Indians." The thirteen stories in this new volume were among those that Lyon recounted to anthropologist Frank Speck, who published them in 1918 as Penobscot Transformer Tales. Transcribed for the first time into current Penobscot orthography and with a new English translation, this instructive and entertaining story cycle focuses on the childhood and coming-of-age of Gluskabe, the tribe's culture hero. Learning from his grandmother Woodchuck, Gluskabe applies lessons that help shape the Wabanaki landscape and bring into balance all the forces affecting human life. These tales offer a window into the language and culture of the Penobscot people in the early twentieth century. In "Still They Remember Me," stories are presented in the Penobscot language and English side-by-side, coupled with illustrations from members of the tribal community. For the first time, these stories are accessible to a young generation of Penobscot language learners and scholars of Native American literatures at all levels, from grade school to graduate school.

"Legend speaks of seven heroes, each one bearing the power of one of the stars of the Big Dipper. Two of these stars are constantly in conflict, destined to battle and throw the world into chaos....Not that Taitou has ever paid much attention to old stories. Headstrong and defiant, he is the last in his village to complete his coming-of-age ceremony--a fact his sister Laila incessantly teases him about. When he is finally deemed worthy, he is presented with the Kenka Ranbu, an ancient sword that can only be drawn by a true hero. As the frustrated Taitou struggles to unsheathe the sword, a mysterious thief appears, making off with the blade and citing the legend ofthe Big Dipper. The stars have been set in motion, as Taitou sets off after the Kenka Ranbu and the truth of his own destiny."--p. [4] of cover.

First in a fast-paced historical adventure series featuring Templar knight Gerard Fox, from New York Times bestselling author Boyd Morrison and art historian expert Beth Morrison. Canterbury, 1351. Ex-communicated knight, Gerard Fox, is a battle-hardened warrior whose ancestral home was unjustly taken from him. Now, he roams across the known world of Europe looking for work as a man-at-arms. Equipped with only his Damascus-steel sword and war bow, Fox takes out tyrannical and dishonourable men in a land still blighted by the Black Death. In his ongoing crusade to deliver justice, Fox comes to the aid of Lady Isabel, who is fleeing from her brutal betrothed. But she hasn't told him the whole story. Isabel is guarding a price-less holy relic. One many men would kill for. Fox and Isabel soon find they are being chased across the continent and try to evade those who seek the relic. But as more assassins close in, Fox realises they will stop at nothing to possess the sacred treasure that Isabel has sworn to protect...

The first major Russian novel, A Hero of Our Time was both lauded and reviled upon publication. Its dissipated hero, twenty-five-year-old Pechorin, is a beautiful and magnetic but nihilistic young army officer, bored by life and indifferent to his many sexual conquests. Chronicling his unforgettable adventures in the Caucasus involving brigands, smugglers, soldiers, rivals, and lovers, this classic tale of alienation influenced Tolstoy, Dostoyevsky, and Chekhov in Lermontov's own century, and finds its modern-day counterparts in Anthony Burgess's A Clockwork Orange, the novels of Chuck Palahniuk, and the films and plays of Neil LaBute.
