The first major Russian novel, A Hero of Our Time was both lauded and reviled upon publication. Its dissipated hero, twenty-five-year-old Pechorin, is a beautiful and magnetic but nihilistic young army officer, bored by life and indifferent to his many sexual conquests. Chronicling his unforgettable adventures in the Caucasus involving brigands, smugglers, soldiers, rivals, and lovers, this classic tale of alienation influenced Tolstoy, Dostoyevsky, and Chekhov in Lermontov's own century, and finds its modern-day counterparts in Anthony Burgess's A Clockwork Orange, the novels of Chuck Palahniuk, and the films and plays of Neil LaBute.

Offers stories by different teams of writers and illustrators featuring a host of Star Wars characters, including Princess Leia, Han Solo, Luke Skywalker, Mace Windu, Yoda, and Darth Vader.

A Jungian psychologist explains how careful analyses of fairy tales like "Beauty and the Beast" can lead to a better understanding of human psychology. Of the various types of mythological literature, fairy tales are the simplest and purest expressions of the collective unconscious and thus offer the clearest understanding of the basic patterns of the human psyche. Every people or nation has its own way of experiencing this psychic reality, and so a study of the world's fairy tales yields a wealth of insights into the archetypal experiences of humankind. Perhaps the foremost authority on the psychological interpretation of fairy tales is Marie-Louise von Franz. In this book—originally published as *An Introduction to the Interpretation of Fairy Tales*—she describes the steps involved in analyzing and illustrates them with a variety of European tales, from "Beauty and the Beast" to "The Robber Bridegroom." Dr. von Franz begins with a history of the study of fairy tales and the various theories of interpretation. By way of illustration she presents a detailed examination of a simple Grimm's tale, "The Three Feathers," followed by a comprehensive discussion of motifs related to Jung's concept of the shadow, the anima, and the animus. This revised edition has been corrected and updated by the author.

A young boy named Taitou finally completes his coming of age ceremony and is given the sword Kenkaranbu as a gift. It is described as the Champion's sword, which can only be drawn by a true hero. As the frustrated Taitou struggles to draw the sword, a mysterious thief appears, demanding the sword and citing the legend of the Hokushin Tenkun: There are seven heroes on earth, each one the avatar of one of the stars of the Big Dipper. Two of the stars are destined to fight and bring the world into chaos: Tonrou and Hagun. And Taitou, he says, is the avatar of Hagun. Taitou stands his ground, but during the fight, Shimei awakens the long-dormant power within the young boy and Taitou loses control. Shimei manages to escape with the sword. That night, Taitou, his sister Laila, and Ryuukou (a wandering priest) leave on a journey to get the sword back.

"Legend speaks of seven heroes, each one bearing the power of one of the stars of the Big Dipper. Two of these stars are constantly in conflict, destined to battle and throw the world into chaos....Not that Taitou has ever paid much attention to old stories. Headstrong and defiant, he is the last in his village to complete his coming-of-age ceremony--a fact his sister Laila incessantly teases him about. When he is finally deemed worthy, he is presented with the Kenka Ranbu, an ancient sword that can only be drawn by a true hero. As the frustrated Taitou struggles to unsheathe the sword, a mysterious thief appears, making off with the blade and citing the legend of the Big Dipper. The stars have been set in motion, as Taitou sets off after the Kenka Ranbu and the truth of his own destiny."--p. [4] of cover.
