### Gu Family Book OST 7 - The Last Words - Lee Seung Gi (piano version)

A romantic hike is at least as much about the little thoughtful details as it is about the destination, especially if the weather isn't perfect. Some things to keep in mind as you plan your outing: Choose a destination that is easily reached, by car and by foot. Long drives and hikes are best left for two people who know each other well.

Wow! This book grabbed me for the first couple of pages & kept hold until the end.

Katerina is so excited to be starting her new job as a paramedic, but something happens on her last day at her old job & she starts to experience horrific images, that seem to come from the mind of a serial killer.

A walk down memory lane Create a collection of memories of you and your partner, beautifully kept inside a box. Leave a note behind each photo and let her immerse in a nostalgic bliss before she gets to the question.

songs: "Cuore di sabbia" by Pasquale Catalano directed by Ferzan Ozpetek
