"I love what Jim Burke has done to make the Standards less threatening and more useful for teachers. In particular, the indicators for what students and teachers should be doing, given the Standard, are extremely helpful; as are such a clear glossary and illuminating examples. All in all, The Common Core Companion is bound to be enormously useful and thus dog-eared!" - Grant Wiggins, President, Authentic Education, Hopewell, NJ That version of the 6-8 standards you wish you had Don't spend another minute poring over the standards. Jim Burke has already done the hard work for you with this roadmap of what each standard says, what each standard means, and how precisely to put that standard into practice across English Language Arts, Social Studies, Science, and Technical Subjects. Jim clearly lays out: Grades 6-8 standards side by side with key distinctions Different content-area versions of each standard Explanations of each standard, with student prompts Content to cover, lesson ideas, and instructional techniques Glossary and adaptations for ELL students A longtime English teacher, Jim Burke is the author of more than 20 books and senior consultant for the Holt McDougal Literature program. Jim has received several awards, including the 2000 NCTE Exemplary English Leadership Award. In 2009, he created the English Companion Ning—the largest online community of English teachers in the world. More recently, Jim has served on the AP English Course and Exam Review Commission and the PARCC Consortium.

The Houghton Mifflin Harcourt Collections program is a Grades 6-12 literature textbook series that is a comprehensive resource for addressing all expectations of the Common Core State Stan-

dards for English Language Arts. Rich, engaging, and complex texts are the program's anchor -- challenging and supporting all students to become critical and close readers. The program fosters success in writing across varied genres through models of effective writing and provides ample opportunities for speaking and writing about texts. -- Publisher's description.

Standards-based learning just got a lot easier This new version of the Common Core Companion provides a Smart Chart Index for all states implementing state-specific ELA standards. This index allows you to see in an instant which of your standards are the same as CCSS, which differ and how--and which page number to turn to for standards-based teaching ideas. Beyond that? It's the same great go-to guide for implementing the standards into daily practice across English Language Arts, Social Studies, Science, and Technical Subjects.

Presents techniques for teaching students to write prose and includes sample assignments, student examples, suggested reading, and information on writing in different genres.

It's the teaching around the standards that counts! What makes Sharon Taberski's Common Core Companion "that version of the standards you wish you had?" It's the way Sharon translates each and every standard for reading, writing, speaking and listening, language, and foundational skills into the day-to-day "what you do." It's all here: The standards for literature and informational texts put side by side for easier planning More than a dozen teaching ideas for each standard Recommendations on how to cultivate critical habits of mind A glossary of academic language for each standard An online bank of graphic organizers, reproducible, charts, and more

Teachers and teacher educators asked for: the latest research on literacy more information about national standards ways to consider gender in instruction advice for teaching Advanced Placement classes ideas for teaching media literacy and incorporating technology effectively into instruction even more resources for

mentoring new teachers analysis of how trends in society, culture, and politics impact teachers and their classrooms. And Jim delivers. He has revamped his introductory chapters on literacy learning to include up-to-the-minute thinking from the field, and he has incorporated lists of key standards and helpful suggestions for reaching them. His practical strategies turn recent findings on literacy and gender into well-designed, research-based instruction, and his ideas help you meet the very different needs of AP students by understanding their goals and providing them with appropriate challenges.

Encourages teachers to structure literacy education around clearly stated, essential questions, and describes how this approach can increase a student's abilities for comprehension and retention.

Provides standards based instruction in reading, writing, written and oral English language conventions, listening and speaking. Teaches students to identify, interpret, analyze, evaluate, make inferences, draw conclusions, compare and contrast, and classify. Resource manager provides lesson plans and identifies the standards taught with an icon. Units are grouped into literary elements, language and culture, and nonfiction with purpose. Units are focused on skills and include reading workshops, lessons, writing workshops, and assessment. Lessons are structured to focus and motivate, teach, practice and apply, and access and reteach. Universal access volumes meet the needs of advanced learners, English learners, strategic learners and students who use African American vernacular English. Provides print, transparencies, and technology resources. Texts include fiction, nonfiction, poetry, drama and media examples.

Offers ideas for creating English classrooms where students can be nourished intellectually, emotionally, and morally by literature, and includes young adult literature pairings with classic texts, tips for motivating reluctant readers, a study guide, and guidelines for curriculum development.

Joy's questions and Jim's responses evoke in us an appreciation for what it means to do the work called teaching with the "living intensity of soul." May such soulful teaching flourish among us: here is a book that can help it be so. - Parker Palmer and Sam In- trator Every new teacher needs a mentor, someone smart, experienced, compassionate, and reliable to give advice, share strategies, and lend a supportive ear. What if every new English teacher could have one the nation's most-recognized master teachers as their mentor? Now they can. *Letters to a New Teacher* is the chance of a professional lifetime, an opportunity to read the letters and emails Jim Burke exchanged with novice teacher Joy Kra- jicek - letters in which Jim opens his practice, his mind, and his heart to guide Joy through her first year in the classroom. Jim fields the whole gamut of questions - from typical classroom-man- agement matters to challenging instructional situations to sensi- tive topics like the boundaries of student-teacher relationships.

His answers open the classroom experience up for novices to un- derstand how to organize their space and time, how to plan in- struction yet maintain flexibility, how to communicate effectively with the two-hundred personalities they encounter each day, and how to maintain professionalism under pressure. As gentle, hu- morous, and supportive as they are practical, Jim's responses to Joy's questions are immediately useful and are presented in chronological order. From August through June, you'll watch as her questions become increasingly complex and see how Jim's an- swers build upon one another to create a considered, consistent, and disciplined way of thinking about the teaching of English. Start a your career the right way. Read *Letters to a New Teacher* and put the thoughts of a master mentor to work in your class- room. Or give *Letters to a New Teacher* to a novice so they can discover a wellspring of ideas, a source for emotional sustenance, and a buoy for their spirits during difficult moments.

Don't spend another minute poring over the standards. Focus in- stead on how to teach them, using 'The Common Core Com- panion, Grades 3-5', as your one-stop guide across subjects. Burke has already done the hard work for you with this roadmap of what each standard says, what each standard means, and how precisely to put that standard into practice across English lan- guage arts, social studies, science, and technical subjects.

A new companion for every English teacher "Why have I written an entirely new English Teacher's Companion? Because to offer you anything less would suggest I had not grown, changed, or evolved these past fifteen years. I am not the same teacher I was when I wrote the first edition." -Jim Burke The fourth edition of English Teacher's Companion is 100 percent new. Jim Burke has rewritten it to model methods for reaching a new generation of students-when all the ground rules for teaching are changing. A teacher's teacher and a recognized leader in English/language arts education, Jim understands the need for instructional meth- ods that connect the why of teaching to the how. "This edition makes the research behind my practice more explicit," he writes. "It is also anchored in the Common Core State Standards, be- cause I am still teaching every day-so these standards are my standards too." Weaving in ideas for working with ELLs, strug- gling readers, and technology, *English Teacher's Companion, Fourth Edition*: looks comprehensively at the research and reality of our profession, our students, and our content provides practi- cal and thoughtful methods for meeting standards in reading, writ- ing, speaking and listening, and language study makes assess- ment a priority, not only to find out what students know but to help practitioners improve. "I have taught English for nearly 25 years, and I love it," writes Jim Burke. Never has this love been more apparent than in the numerous lessons and teaching moves he includes as well as in the many examples of his own classroom language. Trust the fourth edition of *English Teacher's Com- panion*, and bring the passion, power, and practicality of one of America's best teachers to your classroom.
