Home Theater Buying Guides - reddit

We'd like to say that this is a definitive guide on receiver buying. Of course, every person's needs are unique. What we have tried to create is a general guide on how to whittle down your choices. Next you can use something like our \$500 receiver comparison to quickly see which receivers have exactly what you need. Once they are down to a reasonable level, choosing between the available options will be as much an emotional decision as it is a rational one.
