The Godmother of Silicon Valley, legendary teacher, and mother of a Super Family shares her tried-and-tested methods for raising happy, healthy, successful children using Trust, Respect, Independence, Collaboration, and Kindness: TRICK. Esther Wojcicki--"Woj" to her many friends and admirers--is famous for three things: teaching a high school class that has changed the lives of thousands of kids, inspiring Silicon Valley legends like Steve Jobs, and raising three daughters who have each become famously successful. What do these three accomplishments have in common? They're the result of TRICK, Woj's secret to raising successful people: Trust, Respect, Independence, Collaboration, and Kindness. Simple lessons, but the results are radical. Wojcicki's methods are the opposite of helicopter parenting. As we face an epidemic of parental anxiety, Woj is here to say: relax. Talk to infants as if they are adults. Allow teenagers to pick projects that relate to the real world and their own passions, and let them figure out how to complete them. Above all, let your child lead. How to Raise Successful People offers essential lessons for raising, educating, and managing people to their highest potential. Change your parenting, change the world.

We all have a vision for our lives: for our career, our families, our health, and our happiness. Wouldn't it be great if we could articulate that vision and discover the right mind-set to enable that vision to come to life? It's Time to Sell helps people in the sales profession, future salespeople, and entrepreneurs to achieve exactly that. It's Time to Sell is a narrative based on Chris's experiences as both student and mentor in the world of sales. He chose to present his vision in this narrative form to best inspire, educate, and motivate others. Some people will want to know exactly which character Chris most resembles. The truth is that Chris is all of them--and so are you. Who you identify with may change upon subsequent readings or based on your current situation. Chris's hope is that you will benefit from all of the content and remember your own history that has gotten you to this point even as you are inspired to take your journey ever further. Chris Spurvey is an entrepreneur and sales expert. After consciously choosing the sales profession as a means to create a better life for his family, he realized that negative images of sales were holding him back. By shifting his mind-set, Chris was able to transform his "inner game" and use his innate values and talents to become a top sales professional. Chris inspires entrepreneurs and sales professionals to deal with the paradigms that hold them back. Now let him inspire you

Combining the by-the-bootstraps work ethic of Nikki Haley's Can't Is Not an Option with the military pluck of MJ Heger's Shoot Like a Girl, Joni Ernst's candid memoir details the rise of one of the most inspiring and authentic women in the United States Senate. The daughter of hardworking farmers in the heartland, Joni Ernst has never been afraid to roll up her sleeves and get the job done. Raised in rural Iowa, Joni grew up cleaning stalls, hauling grain, and castrating hogs. Farm life forged her work ethic. She developed grit and tenacity, attributes that would later be put to the test when she faced abuse, sexism, and harassment. First, as a Lieutenant Colonel in the Army and later as an underdog candidate in the US Senate, Joni has proven to be a natural leader who proudly serves her fellow Americans. She had to learn to believe when others didn't, to raise her own voice for those who couldn't, and to silence the naysayers (even herself) to become a bold leader and a fierce advocate. In her inspiring memoir, Joni shares her struggles and the invaluable lessons

she learned through hardship--on the farm, in the home, and at work. As a woman fighting for position in the boys' clubs of the military and politics, she found strength in courage and vulnerability, becoming a role model for women everywhere. As a US Senator, Joni is well-known and respected for her fight to hold Washington accountable and her demand for bipartisanship in a time of fierce tribalism. Daughter of the Heartland tells Joni's incredible story in four parts, defined by the values she's learned along the way--leadership, service, courage, and gratitude. Written in an honest and compelling voice, Daughter of the Heartland is Joni's inspirational story of finding her place as a champion for Iowa, a defender of our armed forces, and a voice for women.

A bittersweet and humorous memoir of family--of the silence and ignorance that separate us, and the blood and stories that connect us--from an award-winning New York Times writer and comedian. Approaching his 30th birthday, Sopan Deb had found comfort in his day job as a writer for the New York Times and a practicing comedian. But his stage material highlighting his South Asian culture only served to mask the insecurities borne from his family history. Sure, Deb knew the facts: his parents, both Indian, separately immigrated to North America in the 1960s and 1970s. They were brought together in a volatile and ultimately doomed arranged marriage and raised a family in suburban New Jersey before his father returned to India alone. But Deb had never learned who his parents were as individuals--their ages, how many siblings they had, what they were like as children, what their favorite movies were. Theirs was an ostensibly nuclear family without any of the familial bonds. Coming of age in a mostly white suburban town, Deb's alienation led him to seek separation from his family and his culture, longing for the tight-knit home environment of his white friends. His desire wasn't rooted in racism or oppression; it was born of envy and desire--for white moms who made after-school snacks and asked his friends about the girls they liked and the teachers they didn't. Deb yearned for the same. Deb's experiences as one of the few minorities covering the Trump campaign, and subsequently as a stand up comedian, propelled him on a dramatic journey to India to see his father--the first step in a life altering journey to bridge the emotional distance separating him from those whose DNA he shared. Deb had to learn to connect with this man he recognized yet did not know--and eventually breach the silence separating him from his mother. As it beautifully and poignantly chronicles Deb's odyssey, Missed Translations raises questions essential to us all: Is it ever too late to pick up the pieces and offer forgiveness? How do we build bridges where there was nothing before--and what happens to us, to our past and our future, if we don't?

Edward Smith was raised by a no-nonsense mother on the plains of the Kansas prairie. She raised him to know God has a plan and to praise Him rather than be prideful. She made sure Ed had his daily serving of Humble Pie.

"For parents who want to foster hearty self-reliance instead of hollow self-esteem, How to Raise an Adult is the right book at the right time." -Daniel H. Pink, author of the New York Times bestsellers Drive and A Whole New Mind A provocative manifesto that exposes the harms of helicopter parenting and sets forth an alternate philosophy for raising preteens and teens to self-sufficient young adulthood. In How to Raise an Adult, Julie Lythcott-Haims draws on research, on conversations with admissions officers, educators, and employers, and on her own insights as a mother and as a student dean to highlight the ways in which overparenting harms children, their stressed-out parents, and society at large. While empathizing with the parental hopes and, especially, fears that lead to overhelping, Lythcott-Haims offers practical alternative strategies that underline the importance of allowing children to make their own mistakes and develop the resilience, resourcefulness, and inner determination necessary for success. Relevant to parents of toddlers as well as of twentysomethings-and of special value to parents of teens-this book is a rallying cry for those who wish to ensure that the next generation can take charge of their own lives with competence and confidence.

The amazing story of a man who rose from utter failure to overwhelming success in just a few years-and the simple secrets he used to do it. A failure as a life insurance salesman at the age of twenty-nine, Frank Bettger became in the following years one of America's outstanding successes. Here are his personal experiences and the principles of selling as he applied them, that made him one of the country's greatest salesmen. Here are the 13 principles that enabled Frank Bettger to rise from being an unsuccessful professional baseball player to the point where he was acknowledged to be one of the great salesmen of his day-a sales expert. REVIEWS: "Here it is-the most helpful and inspiring book on salesmanship that I have ever read. It will be helping salesmen whether they are selling insurance, or shoes, or ships, or sealing wax, long after Frank Bettger has passed away." Dale Carnegie "I recommend this book to salesmen of insurance or anything else...it is easy to read, full of practical advice and capable of stiffening the back and the jaw of any man or woman who sets out to heat the world and doesn't quite know how to go about it. There are millions of them." Insurance News

"How do you rebuild your life after sexual abuse?...'The Courage To Be Me' combines science, storytelling and illustration to send a message of hope to the millions of people who are living with the impact of rape or sexual abuse."--Back cover.

Imagine living an epic life - one that works for you. Super Accelerated Living will give you the tools to radically upgrade your life. This advanced yet practical guide details the next phase of manifestation for seekers who are already highly empowered. Where many are finding plateaus and paradoxes, this book provides a broader perspective that demystifies the mechanics of manifestation. How do you remain unswayed yet flexible? Excited yet relaxed? Determined yet free from attachment to outcome-especially when desired results still seem distant? Bentinho Massaro clearly guides you through the mental challenges that appear just before a desire is about to manifest. Learn to maintain your desired frequency and effortlessly attract the experiences you seek. Super Accelerated Living helps you live these concepts, not just understand them. In the first weeks of 2015, author and spiritual teacher Bentinho Massaro gave a series of breakthrough meetings on

personal empowerment and the spiritual application of the art and science of manifestation. The meetings were remarkable, intensely challenging, even lovingly aggressive at times, all focused on explaining how manifestation works—and that it actually does work. Super Accelerated Living, distilled from the transcriptions of these meetings, provides a powerful manual for you to tap into your innate power to create the reality of your choice. This book is not a bag of tricks for manifesting a Maserati or a mansion (although it teaches you how to do that, too). It guides you to access your full creative powers through expanding your Presence-Awareness and your capacity for love, appreciation, gratitude, and service. Super Accelerated Living will give you the tools to radically upgrade your life. Are you ready?

The definitive volume on the massive and enduring impact of hip hop over the last forty years, now in a compact paperback edition. In 2008, with help from Jay-Z and Puff, Barack Obama got the hip hop vote, and became the first African American to be elected president. For a brief moment, the “Audacity of Hope” seemed attainable. The 2014 Ferguson riots signaled the end of that hope, and in 2016 the hip hop community had to grapple with the election of Donald J. Trump as Obama’s successor. Now more than ever, hip hop artists such as J. Cole and Kendrick Lamar are the voice of the voiceless. In the new, updated compact edition of *Hip Hop Raised Me.*, DJ Semtex examines the crucial role of hip hop in society and reflects on the positive influence it has had on his own life, and the lives of disaffected youths from generation after generation. Featuring specially commissioned photography and seminal interviews he conducted with key artists such as Jay-Z, Kanye West, Eminem, Drake, Nicki Minaj, and Nas, Semtex traces the course of hip hop from its origins in the early 1970s through its breakthrough to the mainstream and the advent of gangsta rap in the late 1980s to the global industry that it has become today.

A business classic endorsed by Dale Carnegie, *How I Raised Myself from Failure to Success in Selling* is for anyone whose job it is to sell. This dystopian classic is 'exciting, relevant and thought-provoking' (Stephen King). When a group of schoolboys are stranded on a desert island, what could go wrong? ONE OF THE BBC'S '100 NOVELS THAT SHAPED OUR WORLD' 'One of my favorite books - I read it every couple of years.' Suzanne Collins, author of *The Hunger Games* What are we? Humans? Or animals? Or savages? What's grown-ups going to think? Going off-hunting pigs-letting fires out-and now! A plane crashes on a desert island. The only survivors are a group of schoolboys. By day, they explore the dazzling beaches, gorging fruit, seeking shelter, and ripping off their uniforms to swim in the lagoon. At night, in the darkness of the jungle, they are haunted by nightmares of a primitive beast. Or-

phaned by society, they must forge their own; but it isn't long before their innocent games devolve into a murderous hunt ... 'Thrills me with all the power a fiction can have ... Exemplary.' Ian McEwan 'An existential fable backlit with death's incandescent glare.' Ben Okri 'Violently real ... An apocalyptic novelist [who writes with] humanist rage and defiance.' Marlon James 'Beautiful and desperate, something quite out of the ordinary.' Stevie Smith 'Beautifully written, tragic and provocative.' E. M. Forster 'A fragment of nightmare.' *New Statesman* 'A post-apocalyptic, dystopian survivor-fantasy ... [A novel] for all time ... A cult classic.' *Guardian* 'Stands out mightily in my memory ... Such a strong statement about the human heart.' Patricia Cornwell 'Terrifying and haunting.' Kingsley Amis What readers are saying: 'Every real human being should read this ... This is what we are.' 'It's brilliant, it's captivating, it's thought provoking and brutal and for some, its truly terrifying.' 'It can be read and re-read many times, and every time something new will appear.' 'There is a reason why this is studied at school ... Excellent read.' 'This is one of the few books I've read that I keep on my Kindle to read again.' 'I revisit this every few years and it's always fresh and impressive ... One of the best books I've ever read.'

Through the examples of successful people in history who all battled their demons and failures, Orison Swett Marden inspires readers to overcome their difficulties too by cultivating positive attitude. Spread over eighteen chapters and a conversational way of writing, this book would surely interest those who are looking to achieve self-confidence, power and success. Excerpt: "Believe in yourself; feel that you are to dominate your surroundings. Resolve that you will be the master and not the slave of circumstances. This very assertion of superiority; this assumption of power; this affirmation of your ability to succeed, -the attitude that claims success as an inalienable birthright, -will strengthen the whole man and give great added power to the combination of faculties which doubt, fear and lack of confidence undermine. Self-confidence marshals all one's faculties and twists their united strength into one mighty achievement cable. It carries conviction. It makes other people believe in us. What has not been accomplished through its miraculous power!" Dr. Orison Swett Marden (1848-1924) was an American inspirational author who wrote about achieving success in life. In his books he discussed the common-sense principles and virtues that make for a well-rounded, successful life. Contents: - He Can Who Thinks He Can - Getting Aroused - Education By Absorption - Freedom At Any Cost - What The World Owes To Dreamers - The Spirit In Which You Work - Responsibility Develops Power - An Overmastering Purpose - Has Your Vocation Your Unqualified Approval? - Stand For Something - Happy, If Not, Why Not? - Originality - Had Money, But Lost It - Sizing Up People - Does The World Owe You A Living? - What Has Luck Done For You? - Success With A Flaw - Getting Away From Poverty

As *The Giving Tree* turns fifty, this timeless classic is available for the first time ever in ebook format. This digital edition allows young readers and lifelong fans to continue the legacy and love of a classic that will now reach an even wider audience. "Once there was a tree...and she loved a little boy." So begins a story of unforgettable perception, beautifully written and illustrated by the gifted and versatile Shel Silverstein. This moving parable for all ages offers a touching interpretation of the gift of giving and a serene acceptance of another's capacity to love in return. Every day the boy would come to the tree to eat her apples, swing from her branches, or slide down her trunk...and the tree was happy. But as the boy grew older he began to want more from the tree, and the tree gave and gave. This is a tender story, touched with sadness, aglow with consolation. Shel Silverstein's incomparable career as a bestselling children's book author and illustrator began with *Lafcadio, the Lion Who Shot Back*. He is also the creator of picture books including *A Giraffe and a Half*, *Who Wants a Cheap Rhinoceros?*, *The Missing Piece*, *The Missing Piece Meets the Big O*, and the perennial favorite *The Giving Tree*, and of classic poetry collections such as *Where the Sidewalk Ends*, *A Light in the Attic*, *Falling Up*, *Every Thing On It*, *Don't Bump the Glump!*, and *Runny Rabbit*. And don't miss the other Shel Silverstein ebooks, *Where the Sidewalk Ends* and *A Light in the Attic!*

Born as a ward of the state of Maine, the child of an unmarried Yankee blueblood mother and an unknown black father, Victoria Rowell beat the odds. *The Women Who Raised Me* is the remarkable story of her rise out of the foster care system to attain the American Dream—and of the unlikely series of women who lifted, motivated, and inspired her along the way. From Agatha Armstead—a black Bostonian who was Victoria's longest-term foster mother and first noticed her spark of creativity and talent—to Esther Brooks, a Paris-trained prima ballerina who would become her first mentor at the Cambridge School of Ballet—*The Women Who Raised Me* is a loving, vivid portrait of all the women who would help Victoria transition out of foster care and into New York City's wild worlds of ballet, acting, and adulthood. Though Victoria would go on to become an accomplished

television and film star, she still carried the burden of loneliness and anxiety, particularly common to those "orphans of the living" who are never adopted. Vividly recalled and candidly told, her story is transfixing, redemptive, heartbreaking, and, ultimately, inspiring.

No one could have imagined how as a child Beverly Engel could have managed to become who she is today—an internationally known expert on abuse recovery and the best-selling author of twenty-two self-help books. This is the raw, candid story of how she made her way in the world in spite of her mother’s neglect, unreasonable expectations and constant criticism; in spite of being sexually abused, first at four years old and then at nine; and in spite of being raped at twelve. Raising Myself takes readers on a remarkable journey, showing us how Engel, who was basically on her own from the age of four, learned how to cope with a neglectful, narcissistic mother while being surrounded by a cast of characters that included eccentrics and misfits, a religious fanatic, child molesters, rapists, and hoodlums. It is a soul-searching memoir about how she came dangerously close to the edge of becoming a child molester, a criminal, and a suicide, and how she battled her inner demons and struggled to keep her heart open and to “reinvent” herself so she could follow her dream of making something of herself. Powerfully inspiring and unflinchingly honest, *Raising Myself* is a story of remarkable resilience and insight.

For readers of *The Glass Castle* and *Wild*, a stunning new memoir about family, loss and the struggle for a better future #1 International Bestseller Tara Westover was seventeen when she first set foot in a classroom. Instead of traditional lessons, she grew up learning how to stew herbs into medicine, scavenging in the family scrap yard and helping her family prepare for the apocalypse. She had no birth certificate and no medical records and had never been enrolled in school. Westover’s mother proved a marvel at concocting folk remedies for many ailments. As Tara developed her own coping mechanisms, little by little, she started to realize that what her family was offering didn’t have to be her only education. Her first day of university was her first day in school—ever—and she would eventually win an esteemed fellowship from Cambridge and graduate with a PhD in intellectual history and political thought.

Of all the judgments you make in life, none is as important as the one you make about yourself. The difference between low self-esteem and high self-esteem is the difference between passivity and action, between failure and success. Now, one of America's foremost psychologists and a pioneer in self-esteem development offers a step-by-step guide to strengthening your sense of self-worth. Here are simple, straightforward and effective techniques that will dramatically improve the way you think and feel about yourself. You'll learn: How to break free of negative self-concepts and self-defeating behavior. How to dissolve internal barriers to success in work and love. How to overcome anxiety, depression, guilt and anger. How to conquer the fear of intimacy and success. How to find -- and keep -- the courage to love yourself. And much more.

Uses a fictionalized story about a copy machine salesman to illustrate to readers how anyone who wants to break through self-imposed barriers can achieve all that life has to offer.

Your hard work is paying off. You are doing well in your field. But there is something standing between you and the next level of achievement. That something may just be one of your own annoying habits. Perhaps one small flaw - a behaviour you barely even recognise - is the only thing that's keeping you from where you want to be. It may be that the very characteristic that you believe got you where you are - like the drive to win at all costs - is what's holding you back. As this book explains, people often do well in spite of certain habits rather than because of them - and need a "to stop" list rather than one listing what "to do". Marshall Goldsmith's expertise is in helping global leaders overcome their unconscious annoying habits and become more successful. His one-on-one coaching comes with a six-figure price tag - but in this book you get his great advice for much less. Recently named as one of the world's five most-respected executive coaches by Forbes, he has worked with over 100 major CEOs and their management teams at the world's top businesses. His clients include corporations such as Goldman Sachs, Glaxo SmithKline, Johnson and Johnson and GE.

If you grew up within a chaotic family environment caused by chronic inconsistency, stress, and emotional or physical abandonment or abuse-whether due to addictions, political unrest, war, or a parent's mental health issues-The Kind Self-Healing Book is for you. If you are prone to anxiety, depression, self-doubt, people-pleasing, or decision-making influenced by fear, or if you want to free yourself of the coping behaviors that worked in a disordered childhood but don't serve you in adulthood, The Kind Self-Healing Book is for you. As an adult child of alcoholics and the founder of the influential blog Guess What Normal Is, author Amy Eden understands the importance-and the particular challenges-of nurturing self-care and self-love, having embarked on the complex journey herself. As a result, this candid and sympathetic book invites readers to take a courageous look inside their hearts and minds, guided by sensitivity and love, so they may discover how some of their unconscious behaviors are hurting them. Even in the center of some very raw emotion, you will find that the book's guidance and activities are gentleevery step of the way, allowing you to cultivate great self-compassion. In examining the reactive, defensive, isolating, and safety-seeking be-

haviors that all adult children of alcoholic, addicted, or otherwise narcissistic and childlike parents have always utilized-simply as learned habits or survival mechanisms-you will begin a personal transformation of deep love and growth. With whimsical and calming illustrations and a design that welcomes participation, The Kind Self-Healing Book encourages you to write your thoughts, feelings, and observations on its pages-inspiring, guiding, and supporting you throughout in making the kinds of changes that will enable you to lead the happier, more functional, and overall more balanced life you've always wanted."

\*Kazuo Ishiguro's new novel Klara and the Sun is now available to preorder\* One of the most acclaimed novels of the 21st Century, from the Nobel Prize-winning author Shortlisted for the Man Booker Prize Kazuo Ishiguro imagines the lives of a group of students growing up in a darkly skewed version of contemporary England. Narrated by Kathy, now thirty-one, Never Let Me Go dramatises her attempts to come to terms with her childhood at the seemingly idyllic Hailsham School and with the fate that has always awaited her and her closest friends in the wider world. A story of love, friendship and memory, Never Let Me Go is charged throughout with a sense of the fragility of life. 'Exquisite.' Guardian 'A feat of imaginative sympathy.' New York Times What readers are saying: 'A book I will return to again and again, and one that keeps me thinking even after finishing it. 5/5 stars' 'I loved it, every single word of it.' 'It took me wholly by surprise.' 'Utterly beautiful.' 'Essentially perfect.'
