If you knew how to make \$ 100,000 per year in a few months, then you would be interested in Starting a Business Now in Creative Writing Job? If you knew how to have unlimited economic growth working from home, then you would discover the secret of modern leadership to make money passively day after day? If you knew how entrepreneurs are earning a passive income in self-publishing without have a prior experience of writing, then would you like to read more? Self-publishing a book is growing more common these days and it's possibly becoming the sole way new authors can get published. "Print on demand"technology has made self-publishing more attractive as authors do not have to order thousands of books upfront, just to be published. This means the book does not need to be printed until it's actually sold. An author's upfront costs need not be astronomical, nor do authors need to be stuck with a garage full of books they may or may not sell. In fact, publishers themselves are using POD technology for the same reasons. You just need to be sure that you follow some of the publishing world's best practices-exuding the professionalism, competency, and technical know-how of a traditional publishing outfit. Given these realities, self-publishing now makes a lot of sense, especially for first-time authors as it is even easier to publish your work in digital format (eBook) to top digital platforms such as Kindle, Nook and Smashwords which all have already growing markets. However, the trick is not longer to self-publish, but to do it in such a way that your book will be read... and that's where this special guide comes in. " Starting a Business Now in Creative Writing Job as Passive Income Idea!" focuses on the A-Z aspects of publishing a book: from writing to marketing on digital platforms such as amazon and in particular, the "science" behind it. Some of the BENEFITS offered in this fantastic book are listed below: Serves as a marketing tool when you have no clue! - especially as a beginner Provides a laid-out plan with the fastest, most efficient ways to build an engaging following online! Have you got a burning desire to start your own business? Are you uncertain as to the type of business that you should start? Serial entrepreneur, Ray Fox outlines how you can start your own venture capital business, based from home and make £25,000 to £100,000 per annum.

Do you dream about retiring early? How about earning enough side income to cover your needs so you can afford more of your wants? Yeah, those are some great dreams. And guess what? You can make them come true-with a good plan in place. The good plan we're talking about here is called passive income. What is passive income? There are many different ideas of what passive income is and ways to earn it, so let's get right to it. Imagine, rather than you working for money that you instead made every dollar work for you 40hrs a week. Better still, imagine each and every dollar working for you 24/7 i.e. 168hrs/week. Figuring out the best ways you can make money work for you is an important step on the road to wealth creation. One of the reasons people find it difficult to make the leap from earned income to more passive sources of income is that the entire education system is actually pretty much designed to teach us to do a job and hence rely largely on earned income. However, to become rich and create wealth you will be required to cross the chasm from relying on earned income only. If you search the internet for "passive income", you may find a definition or two, but mostly, what you find are websites trying to sell you on the passive-income-flavor-of-the-day. It's frustrating, I know. I don't know about you, but before I jump into any opportunity or even before I take a trip, I like to do my research. That being said, there are a lot of good opportunities out there. But before you start spending money, This BOOK discuss what passive income is, what it isn't, and top 50 online passive income methods you can start creating to earn \$100000. What are you still waiting for?

Learn How to make money online which is super easy! Many people claim that they earn hundreds and thousands of dollars a month while staying in the comfort of their home and working online. Other people who drag themselves to the office five times a week (sometimes more) just could not believe it. So, is it really possible or is this another marketing hype just to grab attention but is too good to be true? Well, the truth is that yes, it can be done and that there are many people who are already doing it. However, making money online requires you to have the right knowledge, and you need to invest time and effort to make it work. But as far as making money is concerned, making money online is definitely doable, and that you can do it, too. By the time you finish reading this book, you will have the keys that will allow you to make \$100-\$100,000 solely from your online income. You might be wondering, why is there a big range between \$100 and \$100,000-this is because the amount that you will earn will depend on how much efforts you are willing to give. Of course, just like any other venture, there is no 100% guarantee that you will receive positive profits in return, but if you have the right knowledge and if you apply this knowledge effectively, then there is no reason why you could not make a six-figure income in just a few months. There are already a good number of people who are earning a living from their online ventures. Some of them have even quit their office job and now work full-time in the comfort of their home in pajamas while sipping a cup of coffee continuously raking in cold, hard cash. If this is the lifestyle that you want, a life where you are in control of everything and do not have to go to an office

and please your boss every now and then, then this book is definitely for you. So, can you make money online? Yes, you can! In fact, the \$100-\$100,000 income range is just an example. You can earn more than \$100,000. The only limitation is the one that you put on yourself. Dream big; live big.

Is there really such a thing as a professional gambler? The answer is an unequivocal, "Yes!" This book's authors are but two examples. Many thousands of people around the country make a good living exclusively from gambling. It is not easy, but it can be done. The key is to understand which games are beatable and know how to beat them. David Sklansky and Mason Malmuth have spent many years writing about the finer points of poker, blackjack, and other beatable games. As you will see in the book, those other "games" are horses, sports, progressive slots and video poker, casino tournaments, and special promotions. They don't include craps, roulette, keno, or baccarat for reasons they'll explain. This book, was written for the not quite as experienced aspiring gambler. It shows you everything you need to learn and do if you want to gamble for a living from both the practical and the technical standpoints. The rest is up to you.
