What's a Probate Estate All About? - dummies

Probate is the judicial process by which a will is proved in a court of law and accepted as a valid and true last testament of the deceased. Probate is, therefore, the

process of getting ...

Report to the Probate Registry or HMRC the value in sterling of property owned by the deceased outside the UK or debts owed to the deceased by any resident outside the UK. For further information and expert guidance on valuing the assets and debts of an estate for probate, read Lawpack's DIY Probate Kit or call the Probate Advice Line.

During this time an estate agent will prepare the particulars and market the property to find a buyer - which is more useful than having to wait for probate before starting this process. This is also a good reason to apply for probate as early as possible to avoid these potential delays when

it comes to selling the property.

Once the probate estate has been opened with the probate court, the next step in probating the estate is to establish the date of death values for all of the decedent's assets. This step is important because most states require that an inventory of the decedent's probate assets along with their date of death values be filed with the probate court within 30-90 days of the date when the probate ...
