8E1ZGA - BARNETT COLTON

The ability to read someone's mind is a skill that anyone can learn with enough practice. Mind reading is more than just knowing what people want to say. It's about understanding what they truly mean, even when their words say something else. The ability to read people can have a significant impact in your personal, social, and work life.

The more specific you are - the clearer the message is to your subconscious mind and the more likely you are going to attract the type of job/business that you desire. Remember, in order for Mind Power to work for you - you need to be clear and specific. Now it does not stop with simply the thought process. Take Action
