How to Write a Portfolio Essay | The Classroom

Think of your portfolio as your greatest hits – something that reflects not only the work you've done, but the stuff you'd like to do in the future. Liz Grant's portfolio is clean, simple and beautiful. Plus it's easy to navigate. "I've found that what you put in your portfolio for people to view, you get in return.

STUDENT PORTFOLIO: HOW-TO & SAMPLES

Once you've gathered the materials that you'll put in your portfolio and decided on your focus, it's time to get started on the actual writing part. The best way to start an essay is by writing an introduction first. And, unlike most other essays, you can actually write the portfolio essay in the first person (unless your teacher says otherwise).

Do you need to write an 'About Me' page? It's one of the most important components of your portfolio, website, or blog. It's where prospective employers, potential clients, website users, and other professional and personal connections go to learn about who you are and what you do.

A portfolio essay consists of two main parts: introduction which includes the description, and the writings themselves. In order to present them properly, you have to read them prior to starting to write the portfolio essay. Yes, you may remember your writings, but it is recommended to read them once again!

However, to write a really strong portfolio you should also demonstrate an action plan for future development. Think about what knowledge and skills might address the professional weaknesses that

your reflections reveal, and indicate how you intend to develop these. Mistakes to Avoid in Writing Reflective Portfolios
