This latest edition of Hugh Johnson's Pocket Wine Book includes a colour supplement on terroir.

Offers vintage charts; regional maps; notes on history, production, and appreciation; and information on the best bargains; and describes more than five thousand wines from all over the world It used to be the easiest way in the wine world to get a laugh – start extolling the virtues of English wine. Oh, how they would chortle! And they had a point. Until the 1990s hardly any English wine was more than a curiosity to be drunk if you had no other choice. The old-fashioned view of English wine is that of a cottage industry made up of amateurs struggling with the mud and the drizzle. The modern view is of a country amazingly blessed with vast tracts of soil suitable for viticulture, much of it almost indistinguishable from the chalky slopes of Champagne and Chablis, and of a country taking full advantage of the vagaries of climate change to ripen Chardonnay and Pinot Noir to levels perfect for sparkling wine, and increasingly excellent still wines. And it wouldn't be far off the mark to say that England is now the newest of the New World, New Wave wine countries. The 1990s brought several pioneering sparkling wine producers to the fore – led by Nyetimber and Breaky Bottom and suddenly England has found its wine vocation. Oz has long been a champion of English wines and this book helps you find the best wines, from fizz, whites, some impressive reds and even dessert and orange wines. One of the great pleasures of wine is to drink it where it is grown and made. Both wine handbook and armchair companion, English Wine is an essential book for all lovers of wine. The opportunity to meet growers, winemakers and winery owners is what draws people to visit wineries and 'have an experience in the vineyard'. The book is split into sections: Exciting Times – How it used to be; The Nyetimber effect; Climate: is it almost perfect now?; Location is key; Planting like made; A question of style: sparkling or still; and Grape varieties: a race to the top. British Bubbles – What is needed to make good fizz; Champagne, the original fizz; Bubbles and how they're created. A Tour Of the Regions – covers personal experiences and reflec-

tions from Oz's many years of visiting talented and passionate producers up and down the country. From Yorkshire to the far west of Cornwall and across to Wales, a small but dynamic part of the UK's wine movement, Oz recommends wines he has enjoyed and found interesting and encourages you to try for yourself.

Hugh Johnson's Pocket Wine Book is the essential reference book for everyone who buys wine - in shops, restaurants, or on the internet. Now in its 42nd year of publication, it has no rival as the comprehensive, up-to-the-minute annual guide. Hugh Johnson provides clear succinct facts and commentary on the wines, growers and wine regions of the whole world. He reveals which vintages to buy, which to drink and which to cellar, which growers to look for and why. Hugh Johnson's Pocket Wine Book gives clear information on grape varieties, local specialities and how to match food with wines that will bring out the best in both. This new edition also contains a special supplement on Organic, Natural and Biodynamic wines.

The first wine journal from the world's favorite writer on wine, Hugh Johnson. Keep a record of your favorite (and least favorite) wines in this elegant hardcover journal from Hugh Johnson, renowned worldwide for his incisive and accessible writing on wine. Packed with Hugh's expertise and "tricks of the trade", this is the perfect traveling companion to help you get the most out of the wines you drink. In this beautiful and refined journal, you will be able to compile your own tasting notes and record those wines that you have particularly enjoyed, or otherwise. Easy to complete charts and space for writing tasting notes are combined with Hugh's guidelines on such subjects as choosing wine for particular occasions (such as which wine is best for your Christmas menu), the best vintages for particular wines, and what other wines to try if you are especially fond of those made from a certain grape, such as, for example, Merlot or Silvaner. Also containing quick-reference vintage charts and sections on grape varieties and wine & food pairing, Hugh Johnson's Wine Journal is the perfect gift or self-purchase for every lover of wine or those who want to know more.

The brand new edition of the unrivalled and bestselling annual, Hugh Johnson's Pocket Wine Book. Hugh Johnson's Pocket Wine Book is the essential reference book for everyone who buys wine - in shops, restaurants, or on the internet. Trees is a fully illustrated guide to more than 600 trees. The text sparkles with fact and folklore, illuminating the subject with authority and enthusiasm. Fully updated, it includes all the newest tree varieties and cultivars. The book first looks at the structure and life cycle of trees; their role in the ecosystem, planting and pruning; and the use of trees in garden design. The core of the book is a complete record of coniferous and deciduous trees, grouped by family, in which an authoritative main text is complemented by a comprehensive index of trees, listing and illustrating alphabetically every important family, species and variety by their horticultural name. Finally, a reference section includes a guide to choosing trees for the garden and an A-Z listing of the most important and popular species and varieties of trees.

An intimate understanding of the world of wine filtered through the vast knowledge and experience of the recognised world expert, this book addresses every aspect of the world of wine.

This encyclopedia features all the major garden and forest trees of the world, with both fact and folklore.

Hugh Johnson has won a legion of fans with his keen ability to make the sometimes complex topic of wine wonderfully lucid—and every year, his popular pocket guide is a bestseller. That makes it number one in the market. Here, in it's 30th anniversary year, he has completely revised and up-

dated this classic, offering more current news than ever on over 6,000 wines, growers, and regions, along with up-to-the-minute vintage information, recommended wines (including budget options), and star ratings. With this book in hand, wine lovers won't need anything else to help them select anything from a bottle for an everyday dinner to a prestige vintage for investment. A new section showcases Johnson's special, personal choices, and there are plenty of quick-reference maps, charts, and fact boxes for a little extra guidance.

- Bordeaux is the world's most famous and arguably favorite wine region. This book tells its story - Articles and extracts from some of the most loved wine writers of yesterday and today - An essential wine book for every wine lover and wine student - Beautifully designed and illustrated to bring the region to life on the page When things turn out right for Bordeaux, as they frequently do, its wines are sublime. They inspire many thousands of tributes, from Samuel Pepys' succinct reviews to the most rhapsodic of Michael Broadbent's tasting notes - in short, over 300 years of wine writing. On Bordeaux is a collection of the best bits, from our best-loved wine writers, critics and commentators, set around 10 of the themes that make Bordeaux tick. As Jane Anson writes in her introduction: "multi-layered, clear-eyed, moving and often extremely funny [this] collection of stories... celebrates, illuminates and renews our understanding of Bordeaux." \* Hugh Johnson, Fiona Beckett and Baron Elie de Rothschild discuss dining out on Bordeaux: how best to serve it, with what and who with. \* Mathieu Chadronnier, Christian Seely and Joe Fattorini shed light on the way we see claret today. \* Ian Maxwell Campbell extols the virtues of 1871 and 1875, the last great vintages before the phylloxera plague. \* Fiona Morrison MW explores Bordeaux's great bounce-back and how the vintage of 1982 changed everything. \* John Salvi, Bill Blatch and Peter Vinding-Diers reveal the wines that lead the way to Bordeaux's future. \* Joe Fattorini serves up everything you need to know on running the iconic Me'doc Marathon. \* Hugh Johnson pays tribute to Bordeaux master Michael Broadbent.

World-renowned wine expert Hugh Johnson's elegant tribute to Tuscany is now available in paperbacka richly rewarding volume in prose and image for those who enjoy the region's exquisite marriage of wine and food, beauty and history. Traveling from town to town, from hilltop to farmland, Johnson not only explores the Tuscan geography and wineries, but also shares the culture and sitesfrom a stunning cathedral in Siena to a good place for a relaxing glass of wine in Monte Amiata. Poetic, illuminating descriptions combine with over 100 atmospheric photos to capture the essence of Tuscany and bring the author's passion for the regions distinctive grape varieties to life. Glass of Brunello in one hand, Tuscany and Its Wines in the otherperfect armchair reading!

"David Abulafia's new book guides readers along the world's greatest bodies of water to reveal their primary role in human history. The main protagonists are the three major oceans-the Atlantic,

the Pacific, and the Indian-which together comprise the majority of the earth's water and cover over half of its surface. Over time, as passage through them gradually extended and expanded, linking first islands and then continents, maritime networks developed, evolving from local exploration to lines of regional communication and commerce and eventually to major arteries. These waterways carried goods, plants, livestock, and of course people-free and enslaved-across vast expanses, transforming and ultimately linking irrevocably the economies and cultures of Africa, Europe, Asia, and the Americas"--

Hugh Johnson's Pocket Wine Book is the essential reference book for everyone who buys wine - in shops, restaurants, or on the internet. Now in its 41st year of publication, it has no rival as the comprehensive, up-to-the-minute annual guide. Hugh Johnson provides clear succinct facts and commentary on the wines, growers and wine regions of the whole world. He reveals which vintages to buy, which to drink and which to cellar, which growers to look for and why. Hugh Johnson's Pocket Wine Book gives clear information on grape varieties, local specialities and how to match food with wines that will bring out the best in both. This new edition also contains a colour supplement on Syrah and Garnacha grapes.

Mountainous terrain, volcanic soils, innumerable microclimates, and an ancient culture of winemaking influenced by Greeks, Phoenicians, and Romans make Italy the most diverse country in the world of wine. This diversity is reflected in the fact that Italy grows the largest number of native wine grapes known, amounting to more than a quarter of the world's commercial wine grape types. Ian D'Agata spent thirteen years interviewing producers, walking vineyards, studying available research, and tasting wines to create this authoritative guide to Italy's native grapes and their wines. Writing with great enthusiasm and deep knowledge, D'Agata discusses more than five hundred different native Italian grape varieties, from Aglianico to Zibibbo. D'Agata provides details about how wine grapes are identified and classified, what clones are available, which soils are ideal, and what genetic evidence tells us about a variety's parentage. He gives historical and anecdotal accounts of each grape variety and describes the characteristics of wines made from the grape. A regional list of varieties and a list of the best producers provide additional guidance. Comprehensive, thoroughly researched, and engaging, this book is the perfect companion for anyone who wants to know more about the vast enological treasures cultivated in Italy.

The perfect guide for anyone looking to expand their expertise and an ideal gift for the oenophile in your life. Want to pick the perfect wine for dinner? Red, white or Rose? Dry or Fruity? Spanish or Portuguese? Become the expert with Wine Folly's Magnum Edition: The Master Guide.

Wine Folly Deluxe comes complete with a fresh look, twice as much information on regions, and a profusion of new and alternative wine styles. With everything you need in clear and eye-catching visuals, this will take your appreciation and understanding of wine to the next level.

The San Francisco Chronicle has called The World Atlas of Wine "a glorious book", and now, in its fourth edition, this treasured classic expands its coverage and enhances its beauty, with stunning updated full-color artwork throughout. 1,400 illustrations, 84 photos, 185 maps, 24 charts.

'On Wine-which brings together dozens of "articles, reviews, and introductions," from titles as various as Vogue, Decanter, The Sunday Times Wine Club newsletter Wine Times, and the journal you have in your hands, as well as snippets from Johnson's bestselling books-has many moments where the writing transcends the ostensible subject matter.' The World of Fine Wine One of the world's great authorities on wine, Hugh Johnson has been writing on the subject (among others) for almost six decades. This selection chronicles his personal take on developments that have revolutionised the industry for half a century and more. Johnson's prose describes as no one else can the endlessly fascinating characters and landscapes of the wine world. He tells of setting sail with sybarites and braving the perfect storm, he debates at length the Pleasure Principle, lip-smacks through decadent dinners, teaches and learns in Tokyo and files breathless dispatches from Beijing. He bids a poignant farewell to the loveliest vintages, decries peremptory judgement and urges the Slow Food philosophy; falls in love (again), this time with Tokaji, tells warm winter tales through a vintage port and sets out a summer picnic at the source of the Seine - all the while dryly

annotating the scribbles of his younger self with contemporary marginal hindsights. This thoughtful, illuminating collection will delight not only lovers of wine, food, history and travel but also anyone who enjoys the intoxicating power of words.

Few wine books can be called classic, but the first edition of The World Atlas of Wine made publishing history when it appeared in 1971. It is recognized by critics as the essential and most authoritative wine reference work available. This eighth edition will bring readers, both old and new, up to date with the world of wine. To reflect all the changes in the global wine scene over the past six years, the Atlas has grown in size to 416 pages and 22 new maps have been added to the wealth of superb cartography in the book. The text has been given a complete overhaul to address the topics of most vital interest to today's wine-growers and drinkers. With beautiful photography throughout, Hugh Johnson and Jancis Robinson, the world's most respected wine-writing duo, have once again joined forces to create a classic that no wine lover can afford to be without. "The World Atlas of Wine is the single most important reference book on the shelf of any wine student." - Eric Asimov, New York Times "The most useful single volume on wine ever published... If I owned only one wine book, it would be this one." - Andrew Jefford, Decanter "Like a good bottle of wine, you'll find yourself going back to it again and again... Perfect for anyone who has a thirst for greater wine knowledge." - Edward Deitch, NBC/today.com "The World Atlas of Wine belongs on your shelf... The essential rootstock of any true wine lover's library. A multi-layered snapshot of wine and how it has evolved." - Dave McIntyre, Washington Post

The world's best-selling annual wine guide. Hugh Johnson's Pocket Wine Book is the essential reference book for everyone who buys wine - in shops, restaurants, or on the internet. Now in its 46th year of publication, it has no rival as the comprehensive, up-to-the-minute annual guide. This latest edition of Hugh Johnson's Pocket Wine Book includes a color supplement: How Wine Ages (And Why), which covers questions such as whether aged wine is necessarily better wine and how to store wine to ensure it ages well. It provides clear succinct facts and commentary on the wines, growers and wine regions of the whole world. It reveals which vintages to buy, which to drink and which to cellar, which growers to look for and why. Hugh Johnson's Pocket Wine Book gives clear information on grape varieties, local specialities and how to match food with wines that will bring out the best in both.

When Adventures on the Wine Route was first published, Victor Hazan said, "In Kermit Lynch's small, true, delightful book there is more understanding about what wine really is than in everything else I have read." A quarter century later, this remarkable journey of wine, travel, and taste remains an essential volume for wine lovers. In 2007, Eric Asimov, in The New York Times, called it "one of the finest American books on wine," and in 2012, The Wall Street Journal pro-claimed that it "may be the best book on the wine business." In celebration of its twenty-fifth anniversary, Adventures on the Wine Route has been thoroughly redesigned and updated with an epilogue and a list of the great wine connoisseur's twenty-five most memorable bottles. In this singular tour along the French wine route, Lynch ventures forth to find the very essence of the wine world. In doing so, he never shies away from the attitudes, opinions, and beliefs that have made him one of our most respected and outspoken authorities on wine. Yet his guiding philosophy is exquisitely simple. As he writes in the introduction, "Wine is, above all, about pleasure. Those who make it ponderous make it dull . . . If you keep an open mind and take each wine on its own terms, there is a world of magic to discover." Adventures on the Wine Route is the ultimate quest for this magic via France's most distinguished vineyards and wine cellars. Lynch draws vivid portraits of vintners—from inebriated négociants to a man who oversees a vineyard that has been in his family for five hundred years—and memorably evokes the countryside at every turn. "The French," Lynch writes, "with their aristocratic heritage, their experience and tradition, approach wine from another point of view . . . and one cannot appreciate French wine with any depth of understanding without knowing how the French themselves look at their wines, by going to the source, descending into their cold, humid cellars, tasting with them, and listening to the language they employ to describe their wines." Here, Kermit Lynch assures a whole new generation of readers—as well as his loyal fans—that discussions about wine need not focus so stringently on "the pH, the oak, the body, the finish," but rather on the "gaiety" of the way "the tart fruit perfume[s] the palate and the brain."

- The ultimate history of wine by the master of the subject, an award-winning bestseller for decades now in a new edition; - New foreword by historian Andrew Roberts - Full of fascinating vignettes and side stories, a book to be read for hours or dipped into - Beautifully produced in a new flexibound volume that makes it easy to read "Who better to supply us with our first comprehensive historical survey than the wine writer with the magic pen, Hugh Johnson?" - Jancis Robinson

MW Hugh Johnson has led the literature of wine in many new directions over a 60-year career. His classic The Story of Wine is his most enthralling and enduring work, winner of every wine award in the UK and USA. It tells with wit, scholarship and humor how wine became the global phenomenon it is today, varying from mass-produced plonk to rare bottles fetching many thousands. It ranges from Noah to Napa, Pompeii to Prohibition to Pomerol, gripping, anecdotal, personal, controversial and fun. This new edition includes Hugh's view on the changes wine has seen in the past 30 years. In his Foreword the celebrated historian Andrew Roberts writes: The genius of The Story of Wine derives from the fact that it is emphatically not a dry-as-dust academic history - there are dozens of those - but an adventure story, full of mysteries, art and culture.

A guide to more than six hundred of the world's major garden and forest trees includes coverage of the structure and life cycle of trees, how they are used in landscape design, and tree planting and care.

This pocket-sized monograph covers key aspects of English wine - from the history to modern developments via climate change, geology, grape varieties, viticulture, winemaking, recent vintages - while the core of the book profiles the country's leading producers. Wine tourism has its own section ('There's never been a better time to visit English wine country,' declare the authors), as does a listing of key overseas distributors to reflect the growing importance of exports. A map of the main wine regions, designed by Dr Alistair Nesbitt of Climate Wine Consulting, sits at the heart of the publication.
