Lily and Austin sit down with ShobizU to talk about their musical "Hyena in Petticoats." The story is about Mary Wollstonecraft who Austin describes as "the founder of literary feminism ...

We have Horace Walpole to thank for coining the expression 'hyena in petticoats' to describe Mary, as well as 'philosophising serpent', which clearly refers to the much maligned Eve. I cannot help wondering how long it took him to come up with those not very helpful contributions to the debate.

For individuals who haven't heard of Nellie McClung or know very little of her, Hyena in Petticoats is an incredibly rich and

entertaining introduction to the life of a remarkable Canadian. For those who consider the topic of McClung blasé, the graphic novel defamiliarizes her life story, compelling them to see it in a new way, to come to a new appreciation of her wit, energy, sense of humor, and determination.
