The placement of the story in the collection can alter the meaning of the story itself — how the story is interpreted — and also the affect — how it affects the experience/emotions of the reader. So I think your latter interpretation is the intended one. ed / July 17, 2009 at 7:13 pm Reply.

### 10 Tips for Organizing a Short Story Collection

This is my favorite story collection tool. I recommend setting up a Google Form as an evergreen collection tool (meaning it will always be there for your staff to use). It is a simple form anyone can fill out, that will facilitate the collection of stories, so there can be no excuses about logistical difficulties!

### 5 Tools to Help You Collect Stories - The Storytelling Non ...

This is Samantha Hunt's first short-story collection, though her fourth book. She's an eccentric, imaginative creator and a candid storyteller, often presenting slightly fantastical, vaguely supernatural scenarios frankly and unblinkingly. She can make the most far-flung ideas seem very real. The Dark Dark dials this tendency back down. The most common site of magic in these stories is actually the female body, which, she points out, always transforms itself and has the power to make ...

### The 10 Best Short Story Collections of the Decade ...

Short story collection descriptions vary in method, but the first thing you'll want to do is start with your theme. This is where your tagline can come in handy. Then, provide a few sentences that describe some of the tales in the collection. If you have 25 stories, you can't describe them all. Pick a few.

### Creating a short story collection | Celebrating ...

A short story collection serves to offer several stories to your fans (and maybe net a few new ones) with very little work for the reader. If someone likes your work, they will seek you out. Make that easy for them. Put the best in one place for them to enjoy at their leisure.
