### WGUWQJ - BEST MACK

---

If you are new to Apple, there's a lot to learn! It's easy, but even if you sit down and just try to figure things out on your own, you will probably miss a few things. This book is a bundle of several bestselling handbooks (they may also be purchased separately). It covers iPhone, Apple Watch, Mac, and Apple TV.

The iPad does everything...but what if you don't want to do everything?#! Sure, it's great that you can log into a private network or set up an iMAP / POP email account--but what if you are retired and just want to know the basics--like how to do a group Facetime with all the grandkids!This book walks you through what you need to know step-by-step--including how navigation works now that the Home button is gone on some of the iPad Pros. It covers only what you need to know--so you don't have to comb through hundreds of pages of tech-speak just to find out how to do a common feature.This book is based on the bestselling book "The Ridiculously Simple Guide to the Next Generation iPad Pro" but includes sections specifically for seniors (including accessibility features that make text easier to see).Are you ready to start enjoying your new iPad Pro? Then let's get started!Note: This book is not endorsed by Apple and should be considered unofficial.

Easy, clear, readable, and focused on what you want to do. Step-by-step instructions for the tasks you care about most Large, full-color, close-up photos show you exactly what to do Common-sense help whenever you run into problems using the Facebook app and website Tips and notes to help you connect with family and friends The full-color, step-by-step tasks--in legible print--walk you through sharing posts, photos, and videos on Facebook. Whether you are new to Facebook or would like to explore more of its features, My Facebook for Seniors makes learning to use the world's most popular social media site simple and fun. The full-color, step-by-step instructions make it easy to connect with family, friends, and colleagues; share digital photos and videos; interact with topic-oriented groups; and much more. Veteran author Michael Miller has written more than 200 nonfiction books and is known for his ability to explain complex topics to everyday readers. Michael wrote this book from the 50+ point of view, using relevant examples and covering all the most popular tasks. Here are just a few things you will learn how to do in this top-selling book: · Sign up for Facebook (it's free!) and create a new account · Use Facebook on your smartphone, tablet, or computer · Configure Facebook's privacy settings to keep your personal information private · Discover how to avoid fake news posted in your News Feed · Find out what you should--and shouldn't--share on Facebook · Find old friends who are also on Facebook · Discover how best to use Facebook to keep in touch with your kids and grandkids · Use the News Feed to discover what your friends and family are up to · Update your friends and family on your current activities
