44IHFI - TREVON COOPER

From the international bestselling author of *One of Us Is Lying* comes a brand-new addictive thriller. Ivy, Mateo and Cal used to be close - best friends back in middle school. Now all they have in common is a bad day. So for old time's sake they skip school together - one last time. But when the trio spot Brian 'Boney' Mahoney ditching class too, they follow him - right into a murder scene. They all have a connection to the victim. And they're ALL hiding something. When their day of freedom turns deadly, it's only a matter of time before the truth comes out . . . It's Ferris Bueller's Day Off with murder, perfect for fans of *One Of Us Is Lying* and *A Good Girl's Guide To Murder*. This explosive new thriller is impossible to put down.

Gain first-hand experience and the thorough foundation needed to calculate payroll, complete payroll taxes, and prepare payroll records and reports. Bieg/Toland's market-leading **PAYROLL ACCOUNTING 2021** introduces the latest payroll laws and developments. This edition focuses on practical applications rather than theory with hands-on exercises, detailed examples and business applications that highlight the relevance of concepts. In addition, each problem corresponds to a specific example or illustration that clearly demonstrates the steps to solve the problem. An extensive project in the last chapter lets you apply what you've learned as a payroll accountant. This edition also covers the Fundamental Payroll Certification (FPC) from the American Payroll Association. **PAYROLL ACCOUNTING 2021** provides a thorough understanding of payroll for success both now and throughout your business career. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

This best-selling comprehensive book conveys the relevance of sociology by including a timely collection of theories, research, and examples--including its signature first-person accounts that open chapters. Experiences represented in these opening vignettes accurately mirror the richness and complexity of society, while also establishing the themes that are carried throughout the chapters. Author Diana Kendall's vivid, inviting writing style, emphasis on applications, eye for the most compelling current examples, and use of assignable photo essays and companion videos engage readers and further highlight sociology's relevance to all students. Now in its Ninth Edition, SOCIOLOGY IN OUR TIMES is acclaimed in the field for being the first textbook to integrate race, class, and gender issues, and for its thorough presentation of sociological theory, including contemporary perspectives such as feminism and postmodernism. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

The best all-around guide for diagnosing, maintaining and protecting your PC.
