Everything You Need to Know About How to Buy Whole-

sale

The problem with shopping at a trade show is that unless you have some context for the pricing of the goods you are buying, you will have no idea whether the wholesale prices you are getting are the absolute lowest. After all, the "retail price" is usually just a bogus number that you can't really expect to charge.

A profitable pricing strategy for wholesale requires a business to be able to maintain a profit margin while offering retailers 50% off MSRP. Therefore, in order to create a successful wholesale business, you will need to be able to offer a large discount off of your retail price to those willing to wholesale your product.
