Checklist of Important Legal Documents

2 Minute Read. First things first: You're going to need something to store your papers in. We recommend a filing cabinet, but you can also make do with a box. It doesn't have to be anything fancy—just something that will get the job done. Now, gather all of your documents. Yes, we mean all of them.

In addition to creating a will, a trust or any other legal documents, you should create and End-of-Life Checklist to help your loved ones know where to find everything they will need to settle your estate. The End-of-Life Checklist is a supplement to the legal documents you should have already created.

Important Documents Checklist - Free Checklist Maker

Important Documents Checklist Blue Cross and Blue Shield of Illinois has prepared this suggested list of key personal documents everyone should gather, then keep somewhere secure like a bank lock box or home vault. Be sure at least one trusted family member, friend and/or lawyer, estate planner, or financial adviser has a copy.

A CHECKLIST OF IMPORTANT FAMILY DOCUMENTS It is important to locate, list, and review your documentation so that, in the

event of your disability or death, your agent will be able to administer your estate according to your wishes. The following is a starting place, a generalized list of documents and information needed to administer an estate.

*NOTE: This checklist is a guideline. Please be sure to consult your accountant and/or the IRS for the most up-to-date rules. If you don't have the time to get your business and personal documents organized, Top Shelf Home Organizing would love to help. Call Jayme: 262-373-9416.
