Title: Infernal Devices Author: Philip Reeve Genre: Fantasy/ Steampunk/ Adventure Publication date: 2005. Summary: The mighty engines of Anchorage have been rusted and dead for years. The derelict city no longer roams the Ice Wastes, but has settled on the edge of the land that was once America.

Infernal Devices The Hungry City

Infernal Devices and A Darkling Plain seem like two parts of one story, less stand along than either Mortal Engines or

Predator's Gold. I struggled with the Hester/Wren relationship, too often it seemed combative primarily as a plot device with Hester's personality being flattened to a single dimension before being puffed back to life as soon ...

"Infernal Devices" is first and foremost an adventure story, and what an adventure story it is. Theft, kidnapping, narrow escapes, desperate rescues, trickery, betrayal, double agents, suicide missions, it's all here. Just as in the first two books, perfectly-timed comedy mixes flawlessly with the action.

Book Review: Infernal Devices (The Hungry City Chronicles ...

Sixteen years after the events of Predator's Gold,

the former ice city of Anchorage has settled on an island in North America unaffected by the fallout from the Sixty Minute War and has become a static city named Anchorage-in-Vineland. Most of the inhabitants are happy with their new life, but Wren Natsworthy, the teenage daughter of Tom Natsworthy and Hester Shaw, is bored with her life and seeks adventure.
