The video above shows how to change the fog light bulb in your 2006 Honda Odyssey. Not all models have fog lights - for many Hondas, it depends on your trim level (Touring) or whether the fog light option was ordered when your Odyssey was manufactured. Fog lights are typically in the front bumper, below the headlight cluster and are helpful in poor visibility. If one fog light is burnt out on your Odyssey, we recommend changing both bulbs because the working bulb will be dimmer than the one ...
