What would have made Intuitive Eating better? Different narrator and the 3rd edition rather than 2nd. What reaction did this book spark in you? Anger, sadness, disappointment? Disappointed. I discovered this is an old-

er edition. Plus the narrators style is very irritating to me. 28 people found this helpful

Intuitive Eating already provides an excellent summary as appendix to the book and very worthwhile details including the science behind intuitive eating. However, as per usual, I've taken notes for my own reference and, of course, I'd like to share. Note many sentences are word-for-word, I've simply condensed it to the main parts.

Intuitive Eating, 4th Edition: An Anti-Diet Revolutionary Approach 4th Edition The classic bestseller about rejecting diet mentality. Intuitive Eating has become the go-to book on rebuilding a healthy body image and making peace with food.

With much more compassionate, thoughtful advice on satisfying, healthy living, this newly revised edition also includes a chapter on how the Intuitive Eating philosophy can be a safe and effective model on the path to recovery from an eating disorder.

Intuitive eating is a nutrition philosophy that re-

jects dieting in favor of internal body cues. Find out about the principles of intuitive eating.
