Synopsis coming soon.....

The Wizarding World journey continues . . . The powerful Dark wizard Gellert Grindelwald was captured in New York with the help of Newt Scamander. But, making good on his threat, Grindelwald escapes custody and sets about gathering followers, most of whom are unsuspecting of his true agenda: to raise pure-blood wizards up to rule over all non-magical beings. In an effort to thwart Grindelwald's plans, Albus Dumbledore enlists Newt, his former Hogwarts student, who agrees to help once again, unaware of the dangers that lie ahead. Lines are drawn as love and loyalty are tested, even among the truest friends and family, in an increasingly divided wizarding world. *Fantastic Beasts: The Crimes of Grindelwald* is the second screenplay in a five-film series to be written by J.K. Rowling, author of the internationally bestselling Harry Potter books. Set in 1927, a few months after the events of *Fantastic Beasts and Where To Find Them*, and moving from New York to London, Paris and even back to Hogwarts, this story of mystery and magic reveals an extraordinary new chapter in the wizarding world. Illustrated with stunning line art from MinaLima with some surprising nods to the Harry Potter stories that will delight fans of both the books and films.

'Minerva was the Roman goddess of warriors and wisdom. William McGonagall is celebrated as the worst poet in British history. There was something irresistible to me about his name, and the idea that such a brilliant woman might be a distant relative of the buffoonish McGonagall.' - J.K. Rowling
Pottermore Presents is a collection of J.K. Rowling's writing from the Pottermore archives: short reads originally featured on pottermore.com with some exclusive new additions. These eBooks, with writing curated by Pottermore, will take you beyond the Harry Potter stories as J.K. Rowling reveals her inspiration, intricate details of characters' lives and surprises from the wizarding world. These stories of heroism, hardship and dangerous hobbies profile two of the Harry Potter stories' most courageous and iconic characters: Minerva McGonagall and Remus Lupin. J.K. Rowling also gives us a peek behind the closed curtains of Sybill Trelawney's life, and you'll encounter the reckless, magical-beast-loving Silvanus Kettleburn along the way.

J.K. Rowling has drawn deeply from classical sources to inform and color her Harry Potter novels, with allusions ranging from the obvious to the obscure. "Fluffy," the vicious three-headed dog in Harry Potter and the Sorcerer's Stone, is clearly a repackaging of Cerberus, the hellhound of Greek and Roman mythology. But the significance of Rowling's quotation from Aeschylus at the front of Harry Potter and the Deathly Hallows is a matter of speculation. Her use of classical material is often presented with irony and humor. This extensive analysis of the Harry Potter series examines Rowling's wide range of allusion to classical characters and themes and her varied use of classical languages. Chapters discuss Harry and Narcissus, Dumbledore's many classical predecessors, Lord Voldemort's likeness to mythical figures, and magic in Harry Potter and classical antiquity—among many topics.

It was always difficult being Harry Potter and it isn't much easier now that he is an overworked employee of the Ministry of Magic, a husband, and father of three school-age children. While Harry grapples with a past that refuses to stay where it belongs, his youngest son Albus must struggle with the weight of a family legacy he never wanted. As past and present fuse ominously, both father and son learn the uncomfortable truth: sometimes, darkness comes from unexpected places. The playscript for Harry Potter and the Cursed Child was originally released as a 'special rehearsal edition' alongside the opening of Jack Thorne's play in London's West End in summer 2016. In today's world there is not a child or an adult who has not heard of the world famous series, 'Harry Potter'. Everyone knows that this boy wizard was the brainchild of Joanne Kathleen Rowling better known as J.K. Rowling. The seven books series was made into an eight-part movie series, with the last book split into two. It took J.K. Rowling five years to plan out the series. She did extensive research and tried to stay as true to the history and folklore as possible. While she is a millionaire now, J.K. Rowling never had it that easy in life. After the success of Harry Potter, J.K. Rowling returned to the magical world via screenplay. She authored the scripts for the movies, Fantastic Beasts and Where to Find Them, with the sequel, The Crimes of Grindelwald, having released in November, 2018. It is going to be a five-part movie series. For fans around the world that can never get enough of this phenomenal world, this was a treat. What was not a treat was the play adaptation called Harry Potter and the Cursed Child. It had undone a lot of the hard work that had been put forth by the author. In this book, we shall get to know the woman behind the magical world of Harry Potter. Her struggle to get to the successful life she leads today, and all the facts that the world does not know about! For example, did you know she adopted a penname to write mystery novels because she didn't want her fans to long for simply Harry Potter-esque writing from her anymore?
