JA Finance Park - Junior Achievement

JA Finance Park Virtual - powered by Junior Achievement USA

About JA Finance Park. Imagine a generation where young people, no matter their background, know how to budget, save, and invest; a generation that is armed with the confidence and understanding to take control of their financial futures, their careers and the tools to achieve their dreams.

Ja Finance Park Workbook Budget

Immersive simulation covering a variety of financial literacy topics: personal finance, budgeting, money management, saving, spending, and financial institutions

JA Finance Park Virtual - powered by Junior Achievement USA

As participants in the JA Finance Park program, students will use financial institutions, such as banks, to help them handle their money and complete financial transactions. They will maintain an account, make decisions about credit, and use a debit card. They also will track various investments.

JA Finance Park - Junior Achievement

BUDGET. During the JA Finance Park® Budget phase, students build a monthly budget on their tablet computers, informed by their research and volunteer-led discussion. They allocate 100% of their household net monthly income during this phase and record their financial plan in the software.

Program — Junior Achievement of Greater Washington

All JA Finance Park teachers will be provided with an in-person curriculum training along with a curriculum binder and student workbooks. Junior Achievement USA will also provide teachers with personalized login information to access supplemental materials such as PowerPoint slide decks that support and strengthen the curriculum.

JA Finance Park Curriculum - Junior Achievement Colorado

For more than five years, the Community First Foundation and JA-Rocky Mountain have partnered to educate Colorado's young citizens about the importance of charitable giving. In fact, the Community First Foundation was the first to step up as a philanthropy sponsor when we launched JA Finance Park in 2011, a hands-on money management simulation for middle and high school students.
