Cities for People by Jan Gehl | ArchitectureAU

Cities for People by Jan Gehl. Gehl is an architect and urban designer whose practice is well known for its attention to making public spaces that foster civic life. Underpinning his work is a critique of modern town planning’s penchant for traffic flow and hard-edged design, where the conditions of common space are overshadowed (often literally) by an emphasis on individual buildings and unengaging facades.

Cities for People by Jan Gehl - Goodreads
