#### John Edgar Wideman S Fever

In 2000, he won the O. Henry Award for his short story "Weight", published in The Callaloo Journal. Following the publication of the Homewood trilogy, the New York Times proclaimed John Edgar Wideman, "one of America's premier writers of fiction."

"Fever" is the title story of a book that heralds Wideman's imaginative return to Philadelphia, the "City of Brotherly Love," whose hypocritical failure to fulfill that promise in the 20th century he had already tried to expose in *The Lynchers* (1973) before he had found his unique voice in a series of novels located in his native Pittsburgh, especially *The Homewood Trilogy* (1985).

John Edgar Wideman is the award-winning author of more than 20 books, which have received two PEN/ Faulkner Awards and a National Book Award nomination. In addition to his authorial career, he is a professor at Brown University.
