is in a good used condition, which means it may have some wear and tear (or 'character', depending on how you look at it). Don't worry, it's still perfectly readable and our expert team have made sure there is no major damage - you're getting a great book for a great ...

Rogawski, Jon : Single Variable Calculus: Early Transcen ...

The single-variable volume of Rogawski's new text presents this section of the calculus course with solid mathematical precision but with an everyday sensibility that puts the main concepts in clear terms. It is rigorous without being inaccessible and clear without being too informal--it has the perfect balance for instructors and their students.
